This is the third of Per Petterson's novels that have been translated into English. The other two deal with grown men struggling to come to grips with tragic events in their lives. To Siberia is told from a woman's perspective; a woman, at the time of the telling of the story, in her 60's looking back over her childhood and troubled transition to young womanhood.

Book Review | 'To Siberia,' by Per Petterson - The New ...

The first book I read by Norwegian novelist Per Peterson was "Out Stealing Horses," and I liked it so much that I was determined to read his new book, "To Siberia." I was not not disappointed. Both novels are written beautifully, and both explore the life experience of their protagonists, their thoughts and unrealized dreams.

Amazon.com: Customer reviews: To Siberia

Per Petterson is a Norwegian novelist. His debut book was *Aske i munnen, sand i skoa*, a collection of short stories. He has since published a number of novels to good reviews. *To Siberia*, set in the Second World War, was published in English in 1998 and nominated for the Nordic Council's Literature Prize. *I kjølvannet*, translated as *In the Wake*, is a young man's story of losing his family in the Scandinavian Star ferry disaster in 1990; it won the Brage Prize for 2000. His 2008 novel *Jeg ...*

To Siberia by Per Petterson (2009, Trade Paperback) for ...

To Siberia, the latest of Petterson's novels to be translated into English (though it was written in 1996), continues these themes. Set in Skagen, at the tip of Jutland, it features an unnamed speaker, who is age five when the novel opens. Her father is a carpenter/joiner, one of the best; her extremely religious mother creates and sings hymns.

To Siberia: Book summary and reviews of To Siberia by Per Petterson

Summary and reviews of To Siberia by Per Petterson

To Siberia: A Novel —a novel Petterson published prior to *Out Stealing Horses*, but which made its U.S. debut in September—confronts his American readers with a protagonist who does not offer such an easy entry point for identification. Here Petterson once again employs a first-person narration in which a sixty-year-old protagonist reimagines the tumultuous events surrounding the Second World War in Northern Europe, but this time readers are given little detail about the present ...

Per Petterson's "To Siberia" - Words Without Borders

IMPAC Winner Per Petterson's second novel - the stark, poignant tale of the bond between a brother and sister. In the bitter cold of Danish Jutland, where

the sea freezes over and the Nazis have yet to invade, a young girl dreams of one day going on a great journey to Siberia, while her beloved brother Jesper yearns for the warmer climes of Morocco.

To Siberia by Per Petterson - Penguin Books Australia

To Siberia is a vaguely retrospective account, describing a Danish girl's life from when she was six or seven until she's twenty-three, in the 1930s and 1940s. It is an adult narrator looking back on her childhood and youth, but the voice and the perceptions largely correspond to the age she was when the episodes she describes take place, an almost willful naïveté and innocence imposed on the narrative, a refusal to explain what is now obvious but which

the child could not entirely fathom.

**To Siberia - Per Petterson -
Complete Review**

To Siberia was originally written in Norwegian and translated into English.

The language and flow, therefore, is not Petterson's but Anne Born's interpretation and recreation. How does this affect your reading of the story? How do you think it would be different reading it in the original language? 19.
