Writing instructions is another form of writing your children will be introduced to at KS2. It's a very important skill to learn as you must make sure that your instructions are incredibly clear and easy to understand so that anybody can use them to complete a task. It can be difficult to strike the right balance, writing instructions that are concise but explain every necessary step.

Writing Instructions - KS2 Resources - Twinkl

At the beginning of an instruction-writing project or assignment, it’s important to consider your audience and determine the characteristics (the number of tasks and steps) of the particular procedure you intend to write about. Audience and situation: Early in the process, define the audience and situation of your instructions. Remember that defining an audience means defining its level of knowledge and familiarity with the topic.
