Memoirs of an Islet - Digital Publishing Hub

Robert Louis Stevenson
was a person for whom
'islands' played an

important part in his
life. The essay
'Memoirs of an Islet'
was first published in
1887 and included
references to the
islands that influenced
him and his writings.
This edition brings
together many of the
references that he
makes to the islands,
the stories, letters and
characters.

Memories and Portraits - Wikisource, the free online library

Indeed, apart from his exuberant and very candid letters, Memories and Portraits is the nearest thing to an autobiography published by Stevenson. The very first essay is about his memories as a Scot of his first contacts with England ("The Foreigner Abroad"). The collection then continues with memories of early life in Scotland (childhood memories of Swanston, Colinton and Cramond; reminiscences of his University days and his time on the Isle of Erraid while training to be an engineer).
