Possibility Of Gender Law Political Science Tohoku ...

France passed gender parity laws in 2000 stating that all political parties should include equal numbers of men and women on party lists. Priscilla Lewis Southwell writes that despite the new laws leading to an initial increase in female representatives, this growth has stalled in recent elections. She argues that one of the major reasons for this is that France also implemented a number of additional electoral reforms in 2003 which undermined the effectiveness of gender parity rules.
