The so-called "Golden Age" of children's illustrated books—a period dating from

around 1880 to the early twentieth century—is today regarded as a literary epoch that produced some of the finest works of art ever created for children's literature. The culmination of a progressive movement that, for the first time, focused on producing texts specifically oriented to appeal to children, this era continues to be cited as a major source of inspiration for modern juvenile authors and illustrators.
