Gracefully Grayson Ami Polonsky

The short fiction novel
 "Gracefully Grayson"
 by Amy Polonsky is an
 emotion packed story
 that melted my heart. I
 would like to start off
 this book review with a
 quote that I believe

connects to the moral and point of this novel "When you feel as if your whole world is falling apart, this is actually the beginning of it being put back together, the way it was supposed to be in the first place."

**Gracefully Grayson
by Ami Polonsky -
Goodreads**

PRAISE FOR
GRACEFULLY GRAYSON
"Polonsky captures the loneliness of a child resigned to disappear rather than be rejected, and then the courageous risk that child eventually takes to be seen for who she is. The first-person narration successfully positions readers to experience Grayson's confusion, fear, pain, and triumphs as they happen, lending an immediate and

intimate feel to the narrative."--
