River of Time *CreateSpace*
The River of Time brings together twelve of David Brin's finest stories, including "The Crystal Spheres," which won the Hugo Award for Best Science Fiction Short Story in 1985. Here are powerful tales of heroism and humanity, playful excursions into realms of fancy, and profound meditations on time, memory, and our place in the universe. Who guides our fate? And can we ever hope to wrest control for ourselves? "The Crystal Spheres" offers a fantastic explanation for the Great Silence. Instead of being latecomers, might humanity have come upon the scene too early? "The Loom of Thessaly" merges classical mythology with impudent modern spirit in a science-fiction classic that speculates on the nature of reality. "Thor Meets Captain America" offers an alternate history exploring a chilling scenario behind the Holocaust. In this parallel world, the Nazis narrowly avoid defeat in World War II when they are championed by the gods of the Norse Pantheon. Sample these and other speculations into the future of humanity in The River of Time. Table of Contents: "The Crystal Spheres" "The Loom of Thessaly" "The Fourth Vocation of George Gustaf" "Senses Three and Six" "Toujours Voir" "A Stage of Memory" "Just a Hint" "Tank Farm Dynamo" "Thor Meets Captain America" "Lungfish" "News from 2025" "The River of Time"

I Curse the River of Time *Knopf Canada*
“How impossible it was to grasp that in the end something as fine as this could be ground into dust” (p. 213). I Curse the River of Time, the new novel from the winner of the International IMPAC Dublin Literary Award for Out Stealing Horses, is a mesmerizingly beautiful book about love, regret, family secrets and failed revolution. The novel takes us through thirty-seven-year-old Arvid’s life and its descent towards a moment of terrible crisis. It traces his parents’ hesitant support when he gives up his place at college to work in a paper mill, like his father; his experiences as a fervent young Maoist in Norway in the 1960s; the death of his younger brother; the passionate, enveloping romance that led to marriage and children and, for a time, happiness; the failure of that relationship, and its transformation into a source of harrowing pain. By 1989, everything that gave Arvid’s life meaning has melted into air. The collapse of the Berlin Wall mirrors the collapse of his marriage and his self-punishing alcoholism. When his mother is diagnosed with stomach cancer, Arvid sets off to their summer house in Denmark to be with her, meeting men and women from their past along the way. His despairing journey is also a quest for some kind of order in his life, perhaps even a new foundation. When Arvid finds his mother, and accompanies her in her illness, the novel turns to exploring the secrets that explain the distance between them – a distance that perhaps can never be crossed. I Curse the River of Time describes the ways that the present and the past are always intertwined, and shows how the personal and political are one and the same. Written in a subdued and elegiac style, with flashes of devastating poetic beauty, it is an utterly absorbing experience, a book that displays wisdom of the kind that only profound loss can bring. Above all, it is a reminder of the power of great art to console us for life’s burdens, an example of the way our dreams may brighten our bleakest moments.

The River *Vintage*
NATIONAL BESTSELLER • From the best-selling author of The Dog Stars comes the story of two college students on a wilderness canoe trip—a gripping tale of a friendship tested by fire, white water, and violence. "A fiery tour de force ... I could not put this book down. It truly was terrifying and unutterably beautiful."—The Denver Post Wynn and Jack have been best friends since college orientation, bonded by their shared love of mountains, books, and fishing. Wynn is a gentle giant, a Vermont kid never happier than when his feet are in the water. Jack is more rugged, raised on a ranch in Colorado where sleeping under the stars and cooking on a fire came as naturally to him as breathing. When they decide to canoe the Maskwa River in northern Canada, they anticipate long days of leisurely paddling and picking blueberries, and nights of stargazing and reading paperback Westerns. But a wildfire making its way across the forest adds unexpected urgency to the journey. One night, with the fire advancing, they hear a man and woman arguing on the fog-shrouded riverbank; the next day, a man appears on the river, paddling alone. Is this the same man they heard? And if he is, where is the woman? From this charged beginning, master storyteller Peter Heller unspools a headlong, heart-pounding story of desperate wilderness survival.

Out Stealing Horses *Graywolf Press*
We were going out stealing horses. That was what he said, standing at the door to the cabin where I was spending the summer with my father. I was fifteen. It was 1948 and oneof the first days of July. Trond's friend Jon often appeared at his doorstep with an adventure in mind for the two of them. But this morning was different. What began as a joy ride on "borrowed" horses ends with Jon falling into a strange trance of grief. Trond soon learns what befell Jon earlier that day—an incident that marks the beginning of a series of vital losses for both boys. Set in the easternmost region of Norway, Out Stealing Horses by Per Petterson begins with an ending. Sixty-seven-year-old Trond has settled into a rustic cabin in an isolated area to live the rest of his life with a quiet deliberation. A meeting with his only neighbor, however, forces him to reflect on that fateful summer.

Across the River and Into the Trees *Simon and Schuster*
In the fall of 1948, Ernest Hemingway made his first extended visit to Italy in thirty years. His acquaintance with Venice, a city he loved, provided the inspiration for Across the River and into the Trees, the story of Richard Cantwell, a war-ravaged American colonel stationed in Italy at the close of the Second World War, and his love for a young Italian countess. A poignant, bittersweet homage to love that overpowers reason, to the resilience of the human spirit, and to the worldweary beauty and majesty of Venice, Across the River and into the Trees stands as Hemingway's statement of defiance in response to the great dehumanizing atrocities of the Second World War. Hemingway's last full-length novel published in his lifetime, it moved John O'Hara in The New York Times Book Review to call him "the most important author since Shakespeare."

Fishing the River of Time *Greystone Books*

As Tony teaches Ned the patient art of fly-fishing, a lifetime of memories, thoughts, and stories unspool in peaceful reflections by the water's edge. Fishing the River of Time is an elegant meditation on nature, life, and family, written with warmth and wisdom. It inspires self-reflection and an appreciation of the natural world and the fundamentals of our human experience. It is destined to become a classic work of simple living in the mold of Henry David Thoreau's Walden.

Into the River *Penguin Random House New Zealand Limited*

A gripping, gritty and award-winning coming-of-age novel for young adult readers. When Te Arepa Santos is dragged into the river by a giant eel, something happens that will change the course of his whole life. The boy who struggles to the bank is not the same one who plunged in, moments earlier. He has brushed against the spirit world, and there is a price to be paid; an utu (revenge) to be exacted. Years later, far from the protection of whanau (family) and ancestral land, he finds new enemies. This time, with no one to save him, there is a decision to be made: he can wait on the bank, or leap forward into the river. At the 2013 NZ Post Children's Book Awards Into the River was judged the Margaret Mahy Book of the Year. It also won the Young Adult Fiction category of the awards. An engaging coming-of-age novel, it follows its main protagonist from his childhood in small-town rural New Zealand to an elite Auckland boarding school, where he must forge his own way - including battling with his cultural identity. This prequel to Ted Dawe's award-winning novel *Thunder Road* is gritty, provocative, at times shocking, but always real and true. The awards' chief judge Bernard Beckett described a character "caught between two worlds ... the explicit content was presented as the danger of people being left adrift by society. And within that context, hard-hitting material is crucial; it is what makes the book authentic, real and important." The Deputy Chief Censor of Film and Literature ruled that the book is not offensive: 'The book deals with some stronger content. There are sexual relationships between teenagers, encounters with possible child sexual exploitation, the use of illegal drugs and other criminal activities, violent assault, and a moderate level of highly offensive language. These are well contextualised within an exciting fast moving narrative that has as its protagonist, a young teenage Maori boy from a rural community who is finding his way through the strange uncomfortable environment of a boys' boarding school and unfamiliar social mores. The story captures the raw and real extremes of adolescence in teenage boys along with their yearnings and obsessions. The book is notable for being one of the first in the New Zealand which specifically targets teenage boys and younger men - a genre that does not have great representation. The genre character is therefore significant. The content immerses the reader in action, wit, and intrigue, as well as a level of social realism, all likely to engage teen and young adult readers and with particular appeal for older boys and young men.'

Trudi Montag is a Zwerg—a dwarf—short, undesirable, different, the voice of anyone who has ever tried to fit in. Eventually she learns that being different is a secret that all humans share—from her mother who flees into madness, to her friend Georg whose parents pretend he's a girl, to the Jews Trudi harbors in her cellar. Ursula Hegi brings us a timeless and unforgettable story in Trudi and a small town, weaving together a profound tapestry of emotional power, humanity, and truth.

The Hospital by the River *Monarch Books*

Gynaecologists Catherine and Reg Hamlin left Australia in 1959 on a short contract to establish a midwifery school in Ethiopia. Over 40 years later, Catherine is still there, running one of the most outstanding medical programmes in the world. The Hamlins dedicated their lives to women suffering the catastrophic effects of obstructed labour. The awful injuries that such labour produces are called fistulae, and until the Hamlins began their work in Ethiopia, fistula sufferers were neglected and forgotten - a vast group of women facing a lifetime of incapacity and degradation. Catherine and Reg, with their team of dedicated fistula surgeons, have successfully operated on over 25,000

women, and the Addis Ababa Fistula Hospital, the hospital they opened in 1974, has become a major teaching institution for gynaecologists from all over Ethiopia and the developing world. Since Reg's death, Catherine and her team have continued the work.

The River Always Wins *Deep Vellum Publishing*

A meditation on movement of both society and nature, based on the author's experiences as an activist. In short, aphoristic chapters, Marquis explores the power of force and collectivity through the metaphor of water. As an activist, David Marquis founded the Oak Cliff Nature Preserve in Dallas, and has consulted with the Texas Conservation Alliance since 2011. He brings an unerring belief in the connective and healing power of nature to The Water Always Wins.

Of Time and the River

The River Why *Little, Brown*

The classic novel of fly fishing and spirituality republished with a new Afterword by the author. Since its publication in 1983, The River Why has become a classic. David James Duncan's sweeping novel is a coming-of-age comedy about love, nature, and the quest for self-discovery, written in a voice as distinct and powerful as any in American letters. Gus Orviston is a young fly fisherman who leaves behind his comically schizoid family to find his own path. Taking refuge in a remote cabin, he sets out in pursuit of the Pacific Northwest's elusive steelhead. But what begins as a physical quarry becomes a spiritual one as his quest for self-knowledge batters him with unforeseeable experiences. Profoundly reflective about our connection to nature and to one another, The River Why is also a comedic rollercoaster. Like Gus, the reader emerges utterly changed, stripped bare by the journey Duncan so expertly navigates.
