Sunday in the Park with George *Hal Leonard Corporation* (Applause Libretto Library). This 1995 Pulitzer Prize-winning musical was inspired by the painting *A Sunday Afternoon on the Island of La Grande Jatte* by Georges Seurat. A complex work revolving around a fictionalized Seurat immersed in single-minded concentration while painting the masterpiece, the production has evolved into a meditation on art, emotional connection, and community. This publication contains the entire script of the musical. " Sunday is itself a modernist creation, perhaps the first truly modernist work of musical theatre that Broadway has produced ... a watershed event that demands nothing less than a retrospective, even revisionist, look at the development of the serious Broadway musical." Putting It Together

How Stephen Sondheim and I Created "Sunday in the Park

with George" Farrar, Straus and Giroux

A behind-the-scenes look at the making of the iconic musical Sunday in the Park with George Putting It Together chronicles the two-year odyssey of creating the iconic Broadway musical Sunday in the Park with George. In 1982, James Lapine, at the beginning of his career as a playwright and director, met Stephen Sondheim, nineteen years his senior and already a legendary Broadway composer and lyricist. Shortly thereafter, the two decided to write a musical inspired by Georges Seurat's nineteenth-century painting A Sunday Afternoon on the Island of La Grande Jatte. Through conversations between Lapine and Sondheim, as well as most of the production team, and with a treasure trove of personal photographs, sketches, script notes, and sheet music, the two Broadway icons lift the curtain on their beloved musical. Putting It Together is a deeply personal remembrance of their collaboration and friendship and the highs and lows of that journey, one that resulted in the beloved Pulitzer Prize-winning classic.

The World Only Spins Forward

The Ascent of Angels in America Bloomsbury Publishing USA

"Marvelous . . . A vital book about how to make political art that offers lasting solace in times of great trouble, and wisdom to

audiences in the years that follow."- Washington Post NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR A STONEWALL BOOK AWARDS HONOR BOOK The oral history of *Angels in America*, as told by the artists who created it and the audiences forever changed by it--a moving account of the AIDS era, essential queer history, and an exuberant backstage tale. When Tony Kushner's *Angels in America* hit Broadway in 1993, it won the Pulitzer Prize, swept the Tonys, launched a score of major careers, and changed the way gay lives were represented in popular culture. Mike Nichols's 2003 HBO adaptation starring Meryl Streep, Al Pacino, and Mary-Louise Parker was itself a tour de force, winning Golden Globes and eleven Emmys, and introducing the play to an even wider public. This generation-defining classic continues to shock, move, and inspire viewers worldwide. Now, on the 25th anniversary of that Broadway premiere, Isaac Butler and Dan Kois offer the definitive account of *Angels in America* in the most fitting way possible: through oral history, the vibrant conversation and debate of actors (including Streep, Parker, Nathan Lane, and Jeffrey Wright), directors, producers, crew, and Kushner himself. Their intimate storytelling reveals the on- and offstage turmoil of the play's birth--a hard-won miracle beset by artistic roadblocks, technical disasters, and disputes both legal and creative. And historians and critics help to situate the play in the arc of American culture, from the staunch activism of the AIDS crisis through civil rights triumphs to our current era, whose politics are a dark echo of the Reagan '80s. Expanded from a popular Slate cover story and built from nearly 250 interviews, *The World Only Spins Forward* is both a rollicking theater saga and an uplifting testament to one of the

great works of American art of the past century, from its gritty San Francisco premiere to its starry, much-anticipated Broadway revival in 2018.

Stephen Sondheim

A Life Vintage

In the first full-scale life of the most important composer-lyricist at work in musical theatre today, Meryle Secrest, the biographer of Frank Lloyd Wright and Leonard Bernstein, draws on her extended conversations with Stephen Sondheim as well as on her

interviews with his friends, family, collaborators, and lovers to bring us not only the artist--as a master of modernist compositional style--but also the private man. Beginning with his early childhood on New York's prosperous Upper West Side, Secrest describes how Sondheim was taught to play the piano by his father, a successful dress manufacturer and amateur musician. She writes about Sondheim's early ambition to become a concert pianist, about the effect on him of his parents' divorce when he was ten, about his years in military and private schools. She writes about his feelings of loneliness and abandonment, about the refuge he found in the home of Oscar and Dorothy Hammerstein, and his determination to become just like Oscar. Secrest describes the years when Sondheim was struggling to gain a foothold in the theatre, his attempts at scriptwriting (in his early twenties in Rome on the set of *Beat the Devil* with Bogart and Huston, and later in Hollywood as a co-writer with George Oppenheimer for the TV series *Topper*), living the Hollywood life. Here is Sondheim's ascent to the peaks of the Broadway musical, from his chance meeting with playwright Arthur Laurents, which led to his first success-- as co-lyricist with Leonard Bernstein on *West Side Story*--to his collaboration with Laurents on *Gypsy*, to his first full Broadway score, *A Funny Thing Happened on the Way to the Forum*. And Secrest writes about his first big success as composer, lyricist, writer in the 1960s with *Company*, an innovative and sophisticated musical that examined marriage à la mode. It was the start of an almost-twenty-year collaboration with producer and director Hal Prince that resulted in such shows as *Follies*, *Pacific Overtures*, *Sweeney Todd*, and *A Little Night Music*. We see Sondheim at work with composers, producers,

directors, co-writers, actors, the greats of his time and ours, among them Leonard Bernstein, Ethel Merman, Richard Rodgers, Oscar Hammerstein, Jerome Robbins, Zero Mostel, Bernadette Peters, and Lee Remick (with whom it was said he was in love, and she with him), as Secrest vividly re-creates the energy, the passion, the despair, the excitement, the genius, that went into the making of show after Sondheim show. A biography that is sure to become the standard work on Sondheim's life and art.

This collection of never-before published essays addresses issues of artistic method and musico-dramaturgical form, while at the same time offering close readings of individual shows from a variety of analytical perspectives. The handbook is arranged into six broad sections: issues of intertextuality and authorship; Sondheim's pioneering work in developing the non-linear form of the concept musical; the production history of Sondheim's work; his writing for film and television; his exploitation and deployment of a wide range of musical genres; and how interpretation through key critical lenses (including sociology, history, and feminist and queer theory) establishes his position in a broader cultural context.

Sunday in the Park with George

A Musical Curation by Stephen Sondheim (George Seurat)

This analysis serves to reveal the strong interconnectedness between museums and theatre (mentioned only briefly by other

scholars) as uniquely demonstrated by Stephen Sondheim's musical, Sunday in the Park with George. Because Sondheim chose George Seurat's museum-housed painting, Sunday on the Island La Grande Jatte, as the foundation for his show, museum practices including labels, titles, ways of seeing, and curatorial authority--to which Seurat's painting has already been subjected--can also be located in Stephen Sondheim's musical. However, in the musical the artist is returned authority over his painting, above museum practice and curator bias. By granting the artist such dominion over the artwork, Sondheim redirects the focus from Seurat's innovative pointillist style (as commonly found in history books) to a focus on the relationship between artist and artwork, allowing for artist and painting to converse.

Paris and the Musical

The City of Light on Stage and Screen *Routledge*

Paris and the Musical explores how the famous city has been portrayed on stage and screen, investigates why the city has been of such importance to the genre and tracks how it has developed as a trope over the 20th and 21st centuries. From global hits *An American in Paris*, *Gigi*, *Les Misérables*, *Moulin Rouge!* and *The Phantom of the Opera* to the less widely-known *Bless the Bride*, *Can-Can*, *Irma la Douce* and *Marguerite*, the French capital is a central character in an astounding number of Broadway, Hollywood and West End musicals. This collection of 18 essays combines cultural studies, sociology, musicology, art and adaptation theory, and gender studies to examine the envisioning and dramatisation of Paris, and its depiction as a place of romance, hedonism and libertinism or as 'the capital of the arts'. The interdisciplinary nature of this collection renders it as a fascinating resource for a wide range of courses; it will be especially valuable for students and scholars of Musical Theatre and those interested in Theatre and Film History more generally.

Stephen Sondheim and the Reinvention of the American Musical *Univ. Press of Mississippi*

From *West Side Story* in 1957 to *Road Show* in 2008, the musicals

of Stephen Sondheim and his collaborators have challenged the conventions of American musical theater and expanded the possibilities of what musical plays can do, how they work, and what they mean. Sondheim's brilliant array of work, including such musicals as *Company*, *Follies*, *Sweeney Todd*, *Sunday in the Park with George*, and *Into the Woods*, has established him as the preeminent composer/lyricist of his, if not all, time. *Stephen Sondheim and the Reinvention of the American Musical* places Sondheim's work in two contexts: the exhaustion of the musical play and the postmodernism that, by the 1960s, deeply influenced all the American arts. Sondheim's musicals are central to the transition from the Rodgers and Hammerstein-style musical that had dominated Broadway stages for twenty years to a new postmodern musical. This new style reclaimed many of the self-aware, performative techniques of the 1930s musical comedy to develop its themes of the breakdown of narrative knowledge and the fragmentation of identity. In his most recent work, Sondheim, who was famously mentored by Oscar Hammerstein II, stretches toward a twenty-first-century musical that seeks to break out of the self-referring web of language. *Stephen Sondheim and the Reinvention of the American Musical* offers close readings of all of Sondheim's musicals and finds in them critiques of the operation of power, questioning of conventional systems of knowledge, and explorations of contemporary identity.

Sunday in the Park with George

A Musical

The Dawn of Everything

A New History of Humanity *Farrar, Straus and Giroux*

A dramatically new understanding of human history, challenging our most fundamental assumptions about social evolution—from the development of agriculture and cities to the origins of the state, democracy, and inequality—and revealing new possibilities for human emancipation. For generations, our remote ancestors have been cast as primitive and childlike—either free and equal innocents, or thuggish and warlike. Civilization, we are told, could be achieved only by sacrificing those original freedoms or, alternatively, by taming our baser instincts. David Graeber and David Wengrow show how such theories first emerged in the eighteenth century as a conservative reaction to powerful

critiques of European society posed by Indigenous observers and intellectuals. Revisiting this encounter has startling implications for how we make sense of human history today, including the origins of farming, property, cities, democracy, slavery, and civilization itself. Drawing on pathbreaking research in archaeology and anthropology, the authors show how history becomes a far more interesting place once we learn to throw off our conceptual shackles and perceive what's really there. If humans did not spend 95 percent of their evolutionary past in tiny bands of hunter-gatherers, what were they doing all that time? If agriculture, and cities, did not mean a plunge into hierarchy and domination, then what kinds of social and economic organization did they lead to? The answers are often unexpected, and suggest that the course of human history may be less set in stone, and more full of playful, hopeful possibilities, than we tend to assume. The Dawn of Everything fundamentally transforms our understanding of the human past and offers a path toward imagining new forms of freedom, new ways of organizing society. This is a monumental book of formidable intellectual range, animated by curiosity, moral vision, and a faith in the power of direct action. Includes Black-and-White Illustrations

Some people might open up to the middle of the book and start flipping through pages, but nobody will read this part. In fact, I'll bet anything that you're not reading this part now. And if it turns out that you are . . . well, the guy in the bookstore is probably staring at you, saying, "Stop reading that book!" I guess there's a reason bookstores are going out of business, left and right. Cheap fucks like you think it's okay to stand in the aisles and read to your heart's content. So for the sake of bookstores everywhere, buy this fucking book. I myself don't care. I only care about the poor working man. Oh, and the sanctity of the written word. I care about that, too. And in my case, those written words, of course, include fuck, dick, and pussy.

If There Is I Haven't Found It Yet**A Play** *Farrar, Straus and Giroux*

Fifteen-year-old Anna is bullied by her classmates for being overweight. Her mother, Fiona, decides to transfer her to the school where she teaches, but that only makes things worse. Anna's father, George, is no help—he's too obsessed with saving the world. Just as Anna gets suspended for head-butting one of her tormenters, her uncle Terry arrives for an unannounced visit. A heartbroken, filthy-mouthed slacker, Terry reaches out to Anna in a way that no one ever has. Their unexpected friendship sends her parents' rocky marriage into a tailspin as the whole family wonders what—or who—really needs saving. Nick Payne's *If There Is I Haven't Found It Yet* is a brilliantly sad, humorous, and empathetic play about a family stuck somewhere between knowing what the problem is and doing something about it.

March of the Falsettos *Samuel French, Inc.*

"March of the Falsettos" is the title song of this act of the show. William Finn planned on calling the show "The Pettiness of Misogyny", but then he decided to go with a less direct and more subtle title, calling it "March of the Falsettos". But what does the title mean? The central theme of the show is the characters lack of maturity (as they also state themselves in this song) and their journey of growing out of their childish behavior. Something that for instance Marvin needs to do to be the father Jason needs. Jason, whose voice hasn't yet changed, sings an octave higher than the other three men throughout the show. This is the only song, that all four men sing in the same register, since Marvin, Medel and Whizzer sing in the falsetto, losing the symbol of manhood - their changed voices. None of these men have grown up yet. All of them are still very self-centered, self-involved and

insist on getting whatever they want. The "March of the Falsettos" is their journey from childhood to becoming adults.

Victorians on Broadway

Literature, Adaptation, and the Modern American Musical

Broadway productions of musicals such as *The King and I*, *Oliver!*, *Sweeney Todd*, and *Jekyll and Hyde* became huge theatrical hits. Remarkably, all were based on one-hundred-year-old British novels or memoirs. What could possibly explain their enormous success? *Victorians on Broadway* is a wide-ranging interdisciplinary study of live stage musicals from the mid- to late twentieth century adapted from British literature written between 1837 and 1886. Investigating musical dramatizations of works by Charles Dickens, Charlotte Brontë, Christina Rossetti, Robert Louis Stevenson, and others, Sharon Aronofsky Weltman reveals what these musicals teach us about the Victorian books from which they derive and considers their enduring popularity and impact on our modern culture. Providing a front row seat to the hits (as well as the flops), Weltman situates these adaptations within the history of musical theater: the Golden Age of Broadway, the concept musicals of the 1970s and 1980s, and the era of pop mega-musicals, revealing Broadway's debt to melodrama. With an expertise in Victorian literature, Weltman draws on reviews, critical analyses, and interviews with such luminaries as Stephen Sondheim, Polly Pen, Frank Wildhorn, and Rowan Atkinson to understand this popular trend in American theater. Exploring themes of race, religion, gender, and class, Weltman focuses attention on how these theatrical adaptations fit

into aesthetic and intellectual movements while demonstrating the complexity of their enduring legacy.
