The Ghost and Mrs. Muir

A romance between a young widow and a sea captain's ghost weaves a magical tale of immortal love. Determined to live her

life the way she wants, newly widowed Lucy Muir (Gene Tierney) declines her straitlaced in-laws demand that she live with them and moves with her daughter (a young Natalie Wood) to the seaside into a cottage haunted by the handsome, blustering Captain Gregg (Rex Harrison). A deal is struck between the two in the wee hours of the morning allowing Lucy to stay in the house and the captain to materialize only in the master bedroom. As they gradually get to know each other better, Lucy's spunk and stubbornness gains first the captain's grudging respect, then his heart. But when another man woos Lucy, both must face that her future lies with the living, not in the spirit world.

Bernard Herrmann's The Ghost and Mrs. Muir

A Film Score Guide *Rowman & Littlefield*

"In this guide, Cooper considers Herrmann's musical technique and theorizes some of the ways in which music can be meaningful in film. He also explores nonmusical contexts of the film, including the screenplay's relationship to the popular novel from which it was adapted, as well as the contribution of director Joseph L. Mankiewicz, the performances of Gene Tierney and Rex Harrison, and the editing of Dorothy Spencer. Cooper also provides a quantitative, evidence-based study of the score. A rundown of all the cues in Herrmann's manuscript is followed by an examination of the score as a musical artifact. In his evaluation of the overall approach to the soundtrack, the author considers the musical detail of the score's structure, its themes, and their orchestration.

It was on every news station in the country—and on many foreign news outlets as well. Attack at Wedding Leaves at Least Fourteen Dead, Many More Injured, the headlines proclaimed. The wedding was an outdoor affair, on a beach with the Gulf of Mexico in the background. In all, seventy-two were injured, and the body count rose to seventeen. Local hospitals were filled with bleeding attendees, and, at one point, the bride, her bloodied white wedding dress cut away and spilling onto the emergency room floor, went into cardiac arrest. Her groom died at the scene. In the room next door, an elderly wedding guest also suffered cardiac arrest—not from a bullet wound but from shock, combined with advanced age and a weak heart. Both souls walked out of their respective rooms. One wanted to live. One did not. * * * Philomena Muir became a widow on her wedding day. Three years later, she found herself bumping into the strangest man she'd ever met—except he wasn't a man. More specifically, he wasn't human. That brief meeting became the catalyst for a brewing war, pitting one human witch against the might of a supernatural race. The cards are stacked, and Philomena needs a winning hand...

Gene Tierney

A Biography *McFarland*

Called the most beautiful woman in movie history, Gene Tierney starred in such 1940s classics as *Laura*, *Leave Her to Heaven* and *The Ghost and Mrs. Muir*. Her on-screen presence and ability to transform into a variety of characters made her a film legend. Her personal life was a whirlwind of romance (she married a count, was engaged to a prince, and was courted by a future president) and tragedy (her first daughter was born with severe retardation and Tierney herself struggled with mental illness). After years of treatment, including electroshock therapy that erased portions of her life from her memory, she triumphantly returned in one of the biggest comebacks in Hollywood history. This first complete biography since the actress's death includes a foreword by her daughter, Christina Cassini, an extensive filmography, and many rare photographs.

The Witches of Eastwick

A Novel *Random House*

“John Updike is the great genial sorcerer of American letters [and] *The Witches of Eastwick* [is one of his] most ambitious works. . . . [A] comedy of the blackest sort.”—The New York Times Book Review Toward the end of the Vietnam era, in a snug little Rhode Island seacoast town, wonderful powers have descended upon Alexandra, Jane, and Sukie, bewitching divorcées with sudden access to all that is female, fecund, and mysterious. Alexandra, a sculptor, summons thunderstorms; Jane, a cellist, floats on the air; and Sukie, the local gossip columnist, turns milk into cream. The Ghost Variations

One Hundred Stories *Pantheon*

Ghost stories tap into our most primal emotions as they

encourage us to confront the timeless question: What comes after death? Here, in tales that are by turn scary, funny, philosophic, and touching, you’ll find that question sharpened, split, reconsidered—and met with a multitude of answers. A spirit who is fated to spend eternity reliving the exact moment she lost her chance at love, ghostly trees that haunt the occupant of a wooden house, specters that snatch anyone who steps into the shadows, and parakeets that serve as mouthpieces for the dead: these are just a few of the characters in this extraordinary compendium of one hundred ghost stories. Kevin Brockmeier’s fiction has always explored the space between the fantastical and the everyday with profundity and poignancy. As in his previous books, *The Ghost Variations* discovers new ways of looking at who we are and what matters to us, exploring how mysterious, sad, strange, and comical it is to be alive—or, as it happens, not to be.

The Beginner's Goodbye *Vintage*

Pulitzer Prize-winning author Anne Tyler gives us a wise, haunting, and deeply moving new novel about loss and recovery, pierced throughout with her humor, wisdom, and always penetrating look at human foibles. Crippled in his right arm and leg, Aaron grew up fending off a sister who constantly wanted to manage him. So when he meets Dorothy, an outspoken, independent young woman, she’s like a breath of fresh air. He marries her without hesitation, and they have a relatively happy, unremarkable marriage. Aaron works at his family’s vanity-publishing business, turning out titles that presume to guide beginners through the trials of life. But when a tree crashes into their house and Dorothy is killed, Aaron feels as though he has been erased forever. Only Dorothy’s unexpected appearances from the dead—in their house, on the roadway, in the market—help him to live in the moment and to find some peace. Gradually, Aaron discovers that maybe for this beginner there is indeed a way to say goodbye. “Like a modern Jane Austen, Tyler creates small worlds [depicting] the intimate bonds of friendship and family.”—USA Today “An absolute charmer of a novel . . .

With sparkling prose . . . [Anne] Tyler gets at the beating heart of what it means to lose someone, to say goodbye.”—The Boston Globe “Classic Tyler . . . The wonder of Anne Tyler is how consistently clear-eyed and truthful she remains about the nature of families and especially marriage.”—Los Angeles Times “Beautifully intricate . . . By the exquisitely romantic emotional climax [an] ordinary life has bloomed into an opera.”—Entertainment Weekly

A Woman's View

How Hollywood Spoke to Women, 1930-1960 *Knopf*

Now, *Voyager*, *Stella Dallas*, *Leaver Her to Heaven*, *Imitation of Life*, *Mildred Pierce*, *Gilda*...these are only a few of the hundreds of “women’s films” that poured out of Hollywood during the thirties, forties, and fifties. The films were widely disparate in subject, sentiment, and technique, they nonetheless shared one dual purpose: to provide the audience (of women, primarily) with temporary liberation into a screen dream—of romance, sexuality, luxury, suffering, or even wickedness—and then send it home reminded of, reassured by, and resigned to the fact that no matter what else she might do, a woman’s most important job was...to be a woman. Now, with boundless knowledge and infectious enthusiasm, Jeanine Basinger illuminates the various surprising and subversive ways in which women’s films delivered their message. Basinger examines dozens of films, exploring the seemingly intractable contradictions at the convoluted heart of the woman’s genre—among them, the dilemma of the strong and glamorous woman who cedes her power when she feels it threatening her personal happiness, and the self-abnegating woman whose selflessness is not always as “noble” as it appears. Basinger looks at the stars who played these women and helps us understand the qualities—the right off-screen personae, the right on-screen attitudes, the right faces—that made them personify the woman’s film and equipped them to make believable drama or comedy out of the crackpot plots, the conflicting ideas, and the exaggerations of real behavior that characterize these movies. In each of the films the author discusses—whether melodrama, screwball comedy, musical, film noir, western, or biopic—a woman occupies the center of her particular universe. Her story—in its endless variations of rags to riches, boy meets girl, battle of the sexes, mother love, doomed romance—inevitably sends a highly potent mixed message: Yes, you women belong in your “proper place” (that is, content with the Big Three of the women’s film world—men, marriage, and motherhood), but meanwhile, and paradoxically, see what fun, glamour, and power you can enjoy along the way. *A Woman’s View* deepens our understanding of the times and circumstances and attitudes out of which these movies were created.
