Through the Flames Tyndale House Publishers, Inc.

"Judd and Lionel narrowly escape with their lives in a harrowing rescue attempt in an apartment fire set by a murderer."--Back cover.

Things Kept, Things Left Behind University of Iowa Press

The stories in *Things Kept, Things Left Behind* explore the ambiguities of kept secrets, the tangles of abandoned pasts, and uneasy accommodations. Jim Tomlinson's characters each face the desire to reclaim dreams left behind, along with something of the dreamer that was also lost. Starkly rendered, these spiraling characters inhabit a specific place and class---small-town Kentucky, working-class America---but the stories, told in all their humor and tragedy, are universal. In each story the characters face conflict, sometimes within themselves, sometimes with each other. Each carries a past and with it an urge to return and repair. In "First Husband, First Wife," ex-spouses are repeatedly drawn together by a shared history they cannot seem to escape, and they are finally forced to choose between leaving the past or leaving each other. LeAnn and Cass are grown sisters who conspire to help their prideful mother in "Things Kept." "Prologue" is a voyeuristic journey through the surprisingly different lives of two star-crossed friends, each with its successes and pitfalls, told through their letters over thirty-five years. In "Stainless," Annie and Warren divide their possessions on the final night of their marriage. Their realtor has advised them to "declutter" the house they are leaving, but they discover that most of the clutter cannot be so easily removed. The choices are never simple, and for every thing kept, something must be abandoned. Tomlinson's characters struggle but eventually find their way, often unknowingly, to points of departure, to places where things just might change.

The Left Behind

Decline and Rage in Small-Town America *Princeton University Press*

How a fraying social fabric is fueling the outrage of rural Americans What is fueling rural America's outrage toward the federal government? Why did rural Americans vote overwhelmingly for Donald Trump? And is there a more nuanced explanation for the growing rural-urban divide? Drawing on more than a decade of research and hundreds of interviews, Robert Wuthnow brings us into America's small towns, farms, and rural communities to paint a rich portrait of the moral order—the interactions, loyalties, obligations, and identities—underpinning this critical segment of the nation. Wuthnow demonstrates that to truly understand rural Americans' anger, their culture must be explored more fully, and he shows that rural America's fury stems less from economic concerns than from the perception that Washington is distant from and yet threatening to the social fabric of small towns. Moving beyond simplistic depictions of America's heartland, *The Left Behind* offers a clearer picture of how this important population will influence the nation's political future.

Silverview

A Novel *Penguin*

An instant New York Times bestseller! In his last completed novel, John le Carré turns his focus to the world that occupied his writing for the past sixty years—the secret world itself. Named a most anticipated book of the fall by the Associated Press, TIME, People, Entertainment Weekly, Washington Post, AARP, The Millions, Lit Hub, Thrillist, and more Julian Lawndsley has renounced his high-flying job in the city for a simpler life running a bookshop in a small English seaside town. But only a couple of months into his new career, Julian's evening is disrupted by a visitor. Edward, a Polish émigré living in Silverview, the big house on the edge of town, seems to know a lot about Julian's family and is rather too interested in the inner workings of his modest new enterprise. When a letter turns up at the door of a spy chief in London warning him of a dangerous leak, the investigations lead him to this quiet town by the sea . . . Silverview is the mesmerizing story of an encounter between innocence and experience and between public duty and private morals. In his inimitable voice John le Carré, the greatest chronicler of our age, seeks to answer the question of what we truly owe to the people we love.

My Monticello

Fiction *Henry Holt and Company*

"A badass debut by any measure—nimble, knowing, and electrifying." —Colson Whitehead, Pulitzer Prize-winning author of *The Nickel Boys* and *Harlem Shuffle* "...My Monticello' is, quite simply, an extraordinary debut from a gifted writer with an unflinching view of history and what may come of it." — The Washington Post Winner of the Weatherford Award in Fiction A young woman descended from Thomas Jefferson and Sally Hemings driven from her neighborhood by a white militia. A university professor studying racism by conducting a secret social experiment on his own son. A single mother desperate to buy her first home even as the world hurtles toward catastrophe. Each fighting to survive in America. Tough-minded, vulnerable, and brave, Jocelyn Nicole Johnson's precisely imagined debut explores burdened inheritances and extraordinary pursuits of belonging. Set in the near future, the eponymous novella, "My Monticello," tells of a diverse group of Charlottesville neighbors fleeing violent

white supremacists. Led by Da'Naisha, a young Black descendant of Thomas Jefferson and Sally Hemings, they seek refuge in Jefferson's historic plantation home in a desperate attempt to outlive the long-foretold racial and environmental unravelling within the nation. In "Control Negro," hailed by Roxane Gay as "one hell of a story," a university professor devotes himself to the study of racism and the development of ACMs (average American Caucasian males) by clinically observing his own son from birth in order to "painstakingly mark the route of this Black child too, one whom I could prove was so strikingly decent and true that America could not find fault in him unless we as a nation had projected it there." Johnson's characters all seek out home as a place and an internal state, whether in the form of a Nigerian widower who immigrates to a meager existence in the city of Alexandria, finding himself adrift; a young mixed-race woman who adopts a new tongue and name to escape the landscapes of rural Virginia and her family; or a single mother who seeks salvation through "Buying a House Ahead of the Apocalypse." United by these characters' relentless struggles against reality and fate, *My Monticello* is a formidable book that bears witness to this country's legacies and announces the arrival of a wildly original new voice in American fiction.
