Un Resolution Format

A resolution is a document that contains all the issues that the committee wants to solve and the proposed solutions to that issue. It's called a resolution because that's what the United Nations calls the documents they produce (here are some real UN General Assembly resolutions). Technically, the resolution should be called a draft resolution before it is voted upon and then called a resolution after it is successfully passed during voting bloc.

Model UN Made Easy: How to Write a Resolution - Best ...

There are no universal rules for how to format resolutions for specialized committees. Very often, at many Model UN conferences, specialized agencies will use regular Model UN GA formatting.

This is common across European Union committees such as the European Commission, Council of the European Union, European Court of Justice, etc. the African Union, League of Arab States, ECOWAS and many others.
