Raising Curtains on Education

Drama as a Site for Critical Pedagogy

Greenwood Publishing Group

Believing that transformation is possible and that it must come from within, Clar Doyle illustrates the vital connection between drama and critical pedagogy. Presuming

that a practice informed by the theory of critical pedagogy is essential to achieve an emancipatory education, Doyle shows how well drama and aesthetic education can encourage a pedagogy that is critical. He explores the real as well as the perceived values and understandings given to the aesthetic in school settings, how tastes and awareness are produced and how students' backgrounds inform the way in which art and drama are experienced. Furthermore, Doyle shows the ways in which the dominant cultural agencies rob both teachers and students of creativity through their reproductive policies. The book explores such

critical questions as: the nature of culture; the historical place of drama within education; and the debate between drama and theatre as it applies to schooling. With a critical perspective, he reviews the current status of drama education and suggests ways in which educators can redefine their mission and refine their practice. By examining the influence of the culture industry and the issues surrounding style choices, Doyle highlights the challenge that teachers must meet in order to use performance skills to tease out attitudes and understandings. He concludes by showing how drama can help students, not only to bring about

change in their own lives, but to effect change in the world around them.

Music, Sound, and Technology in America

A Documentary History of Early Phonograph, Cinema, and Radio

Duke University Press

This reader collects primary documents on the phonograph, cinema, and radio before WWII to show how Americans slowly came to grips with the idea of recorded and mediated sound. Through readings from advertisements, newspaper and magazine articles, popular fiction, correspondence, and sheet music, one gains an understanding of how early-20th-century

Americans changed from music makers into consumers.

Writing The Broadway Musical *Da Capo Press*

Brimming with advice and techniques, this essential reference for book- and songwriters clearly explains the fundamentals of the three crafts of a musical—book, music, and lyrics. Using copious examples from classic shows, Frankel has created the quintessential musical writers' how-to. Among the topics: definitions of musical theater; differences between musical books and straight plays and between poetry and lyrics; what a score is and how it develops; how to write for the voice; and how to audition musicals for producers. With a new introduction and revised text, Frankel's work is ready to guide

a new generation of aspiring writers.

Antonio Carlos Jobim

An Illuminated Man *Hal Leonard* *Corporation*

(Book). Charlie Byrd, Herbie Mann, and others brought in bags full of discs from a trip to Brazil in 1961. Stan Getz listened to them and recorded "Desafinado," which stayed for 70 weeks on the Billboard charts. Since then, no one can deny bossa nova's global appeal and

influence upon jazz and world music. While celebrating bossa nova's 50-year presence in the United States, we can learn more about the movement's champion, Jobim, through poet and novelist Helena Jobim's Antonio Carlos Jobim: An Illuminated Man . His personal, intellectual, and professional history comes alive. With a vast, intimate, and revealing set of photographs, and an engaging, elegant and unique prose, this is the story of a true 20th-century's genius. Helena Jobim does justice to her brother's poetic voice. The composer of "Waters of March" read, questioned, and re-created the world he lived in not only through mesmerizing

melodies, but also through down-to-earth poetry. The biography also reveals Antonio Carlos Jobim's serious ecological concerns. To his 400 songs of inexplicable grace he has added his own epigraph in *An Illuminated Man* : "Every time a tree is cut down here on Earth, I believe it will grow again somewhere else, in another world. So, when I die, it is to this place that I want to go, where forests live in peace."

Lady Macbeth in America

From the Stage to the White House *Springer*

Lady Macbeth has haunted American history since the conflicts of Shakespeare's England

spilled over into New England's real witch hunts. To reveal how Lady Macbeth entered American politics as an icon for the First Lady, this investigation focuses on the prominent actresses in the role, how they performed, and their effect on audiences anxious about the country's First Lady and her influence over the President - especially at times of war. Smith ably shows how the various Lady Macbeths have both reflected and shaped the image their contemporaries have of the ambitious political wife, producing parallels that converge dramatically in twentieth-century "witch hunts."

Agnes de Mille

Telling Stories in Broadway Dance

Oxford University Press

This book explores the Broadway legacy of choreographer Agnes de Mille, from the 1940s through the 1960s. Six musicals are discussed in depth - Oklahoma!, One Touch of Venus, Bloomer Girl, Carousel, Brigadoon, and Allegro. Oklahoma!, Carousel, and Brigadoon were de Mille's most influential and lucrative Broadway works. The other three shows exemplify aspects of her legacy that have not been fully examined, including the impact of her ideas on some of the composers with whom she worked; her ability to incorporate a previously conceived work into the context of a Broadway show; and her trailblazing

foray into the role of choreographer/director. Each chapter emphasizes de Mille's unique contributions to the original productions. Several themes emerge in looking closely at de Mille's Broadway repertoire. Character development remained at the heart of her theatrical work. She often took minor characters, represented with minimal or no dialogue, and fleshed out their stories. These stories added a layer of meaning that resulted in more complex productions. Sometimes, de Mille's stories were different from the stories her collaborators wanted to tell, which caused many conflicts. Because her unique ideas often got woven

into the fabric of her musicals, de Mille saw her choreography as an authorship. She felt she should be given the same rights as the librettist and the composer. De Mille's work as an activist is an aspect of her legacy that has largely been overlooked. She contributed to revisions in dance copyright law and was a founding member of the Stage Directors and Choreographers Society, a theatrical union that protects the rights of directors and choreographers. Her contention that choreographers are authors who have their own stories to tell offers a new way of understanding the Broadway musical.

The Most Valuable Players of the Past 50 Seasons

Applause Theatre & Cinema

(Applause Books). Every year, Major League Baseball, the National Football League, the National Basketball Association, and the National Hockey League name a Most Valuable Player an MVP. The Broadway musical community doesn't. Oh, there are the Tony Awards, the Drama Desk Awards, and the Theatre World

Awards. But what if Broadway selected a MVP each season? In Broadway Musical MVPs: 1960-2010, The Most Valuable Players of the Past 50 Seasons , Peter Filichia names his choices for the MVPs of each of the past 50 Broadway seasons they might be performers, producers, directors, or choreographers. Not surprisingly, many of the featured MVPs are multitaskers, such as directors who also choreographed, or wrote the book, or even designed the costumes! Also included are awards in categories such as Comeback Player of the Year, Reliever of the Year, Rookie of the Year, and Led League in Errors. From Tammy Grimes, MVP of the 1960-61 season for The

Unsinkable Molly Brown , to Joe DiPietro, MVP of the 2009-10 season for Memphis , Filichia recognizes the best and the brightest that have appeared on Broadway.

(Theatre World). Applause Theatre & Cinema Books is pleased to make this venerable continuing series complete by publishing Theatre World Volume 63 . Theatre World remains the authoritative pictorial and statistical record of the season on Broadway, Off-Broadway, Off-Off-

Broadway, and for regional theatre companies. Volume 63 features Duncan Sheik and Steven Sater's Tony Award-winning Best Musical *Spring Awakening*, which also earned a Theatre World Award for actor Jonathan Groff. Tom Stoppard's *The Coast of Utopia* captured the Best Play Tony Award, as well as Tonys for featured actors Billy Crudup and Jennifer Ehle. *Frasier* star David Hyde Pierce returned to his theatre roots to capture a Tony for Kander and Ebb's *Curtains*, and other highlights of the season include the Off-Broadway musical *In the Heights* as well as *Passing Strange*, which debuted at the Berkeley Repertory Theatre. Both have since transferred to

Broadway and become critical and popular hits. As always, *Theatre World*'s outstanding features include: * An expanded section of professional regional productions from across the U.S. * The longest running shows on and Off-Broadway * Full coverage of the Theatre World Awards for Broadway and Off-Broadway debuts * Expanded obituaries and a comprehensive index

Off Broadway Musicals, 1910-2007

Casts, Credits, Songs, Critical Reception and Performance Data of More Than 1,800 Shows *McFarland*

Despite an often unfair reputation as being less popular, less

successful, or less refined than their bona-fide Broadway counterparts, Off Broadway musicals deserve their share of critical acclaim and study. A number of shows originally staged Off Broadway have gone on to their own successful Broadway runs, from the ever-popular *A Chorus Line* and *Rent* to more off-beat productions like *Avenue Q* and *Little Shop of Horrors*. And while it remains to be seen if other popular Off Broadway shows like *Stomp*, *Blue Man Group*, and *Altar Boyz* will make it to the larger Broadway theaters, their Off Broadway runs have been enormously successful in their own right. This book discusses more than 1,800 Off Broadway, Off Off Broadway, showcase, and workshop musical productions. It includes detailed descriptions of Off Broadway musicals that closed in previews or in rehearsal, selected musicals that opened in Brooklyn and in New Jersey, and American operas that opened in New York, along with general overviews of Off Broadway institutions such as the Light Opera of Manhattan. The typical entry includes the name of the host theater or theaters; the opening date and number of performances; the production's cast and creative team; a list of songs; a brief plot synopsis; and general comments and reviews from the New York critics. Besides the individual entries, the

book also includes a preface, a bibliography, and 21 appendices including a discography, filmography, a list of published scripts, and lists of musicals categorized by topic and composer.

Babes in Toyland

A New Christmas Musical *Dramatic Publishing*

"We'd like to wrap this musical in gold paper with spangles all over it and attach a card saying Merry Christmas! Remember the wonderful Victor Herbert music? Remember the lyrics? "Toyland, toyland, little girl and boy land." There are wonderful roles for everyone: Mary, Mary, Quite Contrary; Tom-Tom, the Piper's Son; Jack

and Jill; Little Miss Muffet; Wicked Uncle Barnaby who runs the toy shop (and his comic-ruffian assistants, Roderigo and Gonzorgo) and can turn children into dolls and sell them for gold; and lovable Jane and Alan who are his next victims. The adaptation uses the original music of Victor Herbert and much of Glen MacDonough's libretto and lyrics."--Publisher website.

Award-winning music
historian Jeffrey Magee
chronicles Berlin's
legendary theatrical
career, providing a rich
background to some of
the great composer's

most enduring songs,
from "There's No

how Berlin's early
experience singing for
pennies made an
impression on the
young man, who kept
hold of that sensibility
throughout his career
and transformed it into
one of the defining
attributes of Broadway
shows. Magee also
looks at darker aspects
of Berlin's life,
examining the anti-
Semitism that Berlin
faced and his struggle
with depression.
Informative,

People of Paradox

A History of Mormon Culture *Oxford University Press*

In *People of Paradox*, Terryl Givens traces the rise and development of Mormon culture from the days of Joseph Smith in upstate New York, through Brigham Young's founding of the Territory of Deseret on the shores of Great Salt Lake, to the spread of the Latter-Day Saints around the globe. Throughout the last century and a half, Givens notes, distinctive traditions have emerged among the Latter-Day Saints, shaped by dynamic tensions--or paradoxes--that give Mormon cultural expression much of its vitality.

Here is a religion shaped by a rigid authoritarian hierarchy and radical individualism; by prophetic certainty and a celebration of learning and intellectual investigation; by existence in exile and a yearning for integration and acceptance by the larger world. Givens divides Mormon history into two periods, separated by the renunciation of polygamy in 1890. In each, he explores the life of the mind, the emphasis on education, the importance of architecture and urban planning (so apparent in Salt Lake City and Mormon temples around the world), and Mormon accomplishments in

music and dance, theater, film, literature, and the visual arts. He situates such cultural practices in the context of the society of the larger nation and, in more recent years, the world. Today, he observes, only fourteen percent of Mormon believers live in the United States. Mormonism has never been more prominent in public life. But there is a rich inner life beneath the public surface, one deftly captured in this sympathetic, nuanced account by a leading authority on Mormon history and thought.

A New Brain Samuel

French, Inc.

By the Tony-award winning authors of *Falsettos*, here is an energetic, sardonic, often comical musical about a composer during a medical emergency. Gordon collapses into his lunch and awakes in the hospital surrounded by his maritime-enthusiast lover, his mother, a co-worker, the doctor and the nurses. Reluctantly, he had been composing a song for a children's television show that features a frog - Mr. Bungee - and the specter of this large green character and the unfinished work haunts him throughout his medical ordeal. What was thought to be a tumor turns out to be something more operable and Gordon recovers, grateful for a

chance to compose the songs he yearns to produce.

Claudette Colbert

She Walked in Beauty *Univ. Press of Mississippi*

Claudette Colbert's mixture of beauty, sophistication, wit, and vivacity quickly made her one of the film industry's most famous and highest-paid stars of the 1930s and 1940s. Though she began her career on the New York stage, she was beloved for her roles in such films as Preston Sturges's *The Palm Beach Story*, Cecil B. DeMille's *Cleopatra*, and Frank Capra's *It Happened One Night*, for which she won an Academy

Award. She showed remarkable prescience by becoming one of the first Hollywood stars to embrace television, and she also returned to Broadway in her later career. This is the first major biography of Colbert (1903-1996) published in over twenty years. Bernard F. Dick chronicles Colbert's long career, but also explores her early life in Paris and New York. Along with discussing how she left her mark on Broadway, Hollywood, radio, and television, the book explores Colbert's lifelong interests in painting, fashion design, and commercial art. Using correspondence, interviews, periodicals, film archives, and other research materials, the

biography reveals a smart, talented actress who conquered Hollywood and remains one of America's most captivating screen icons. Bernard F. Dick is professor of communication and English at Fairleigh Dickinson University and is the author of *Hal Wallis: Producer to the Stars*; *Engulfed: The Death of Paramount Pictures and the Birth of Corporate Hollywood*; *Forever Mame: The Life of Rosalind Russell* (University Press of Mississippi); and other books.

Devouring Time

Nostalgia in Contemporary Shakespearean Screen Adaptations

*McGill-Queen's Press -
MQUP*

From Kenneth Branagh's groundbreaking *Henry V* to Justin Kurzel's haunting *Macbeth*, many modern filmmakers have adapted Shakespeare

for the big screen. Their translations of Renaissance plays to modern cinema both highlight and comment on contemporary culture and attitudes to art, identity, and the past. A dynamic analysis of twenty-seven films adapted from Shakespeare's works, Philippa Sheppard's *Devouring Time* addresses a wide range of topics, including gender, ritual, music, setting, rhetoric, and editing. She argues that the directors' choice to adapt these four-hundred-year-old plays is an act of nostalgia, not only for the plays themselves, but also for the period in which they were written, the association of genius that accompanies them, and the medium of theatre. Sheppard

contends that millennial anxiety brought on by the social and technological revolutions of the last five decades has generated a yearning for Shakespeare because he is an icon of a literary culture that is often deemed threatened.

Authoritative and accessible, Devouring Time's investigations of filmmakers' nostalgia for the art of the past shed light on Western concepts of gender, identity, and colonialism.

It is a living, transforming art developed by exceptional dance artists and requiring dramaturgical understanding, character analysis, knowledge of history, art, design and most importantly an extensive knowledge of dance both intellectual and embodied. Its ghettoization within criticism and scholarship as a throw-away dance form, undeserving of analysis: derivative, cliché ridden, titillating and predictable, the

ugly stepsister of both theatre and dance, belies and ignores the historic role it has had in musicals as an expressive form equal to book, music and lyric. The standard adage, "when you can't speak anymore sing, when you can't sing anymore dance" expresses its importance in musical theatre as the ultimate form of heightened emotional, visceral and intellectual expression. Through in-depth analysis author Liza Gennaro examines Broadway choreography through the lens of dance studies, script analysis, movement research

and dramaturgical inquiry offering a close examination of a dance form that has heretofore received only the most superficial interrogation. This book reveals the choreographic systems of some of Broadway's most influential dance-makers including George Balanchine, Agnes de Mille, Jerome Robbins, Katherine Dunham, Bob Fosse, Savion Glover, Sergio Trujillo, Steven Hoggett and Camille Brown. *Making Broadway Dance* is essential reading for theatre and dance scholars, students, practitioners and Broadway fans"--
