In *Consider This: Charlotte Mason and the Classical Tradition*, Karen Glass sorts out these questions by exploring the essence of classical education then presenting Mason's educational philosophy in light of the goals and methods of classical education. While

those already somewhat familiar with both classical education and the Charlotte Mason approach are likely to more fully understand Glass's arguments, those unfamiliar with either of these approaches are likely to come away with a ...

Consider This: Charlotte Mason and the Classical Tradition

Consider This: Charlotte Mason and the Classical Tradition takes a look at the most vital ideas that influenced the classical educators and shows how Charlotte Mason's principles reflect the same ideas and values.

Consider This | Karen Glass

Consider This by Karen Glass. Since I've been homeschooling a distinction has

been made between Classical homeschooling and Charlotte Mason homeschooling. Whilst it was obvious the two methods shared many ideals, I think that the classical educators felt that the Charlotte Mason method lacked the rigour. Consider This by Karen Glass challenges the commonly held belief that a Charlotte Mason education is not a Classical education.

Charlotte Mason and Classical Education: Consider This ...

In 2014, Karen Glass published a book entitled Consider This: Charlotte Mason and the Classical Tradition. In this book, Glass (2014a) advances the striking thesis that not only is a Charlotte Mason education similar to the classical model, but in fact it is a "particular implementation" of a "classical education" (p. 125).

She has four children, ages 13 to 27, who have been homeschooled using Charlotte Mason's methods from beginning to end. She has been studying and writing about Charlotte Mason and Classical Education for over twenty years, and has written Consider This to share the most important things she has discovered about the connection between them.

Karen Glass | Author

Charlotte Mason developed her own philosophy of education from the riches

of the past, not accidentally but purposefully. She and the other founding members of the Parents' National Educational Union in England were inspired by the classical educators of history and set out to achieve their vision in modern education.
