The Ministry of Women and Child Development, a branch of the Government of India, is an apex body for formulation and administration of the rules and regulations and laws relating to women and child development in India. The current minister for the Ministry of Women and Child Development is Smriti Irani having held the portfolio since 31 May 2019.

Ministry of Women and Child Development - Wikipedia

Gender socialization, or the process whereby a child learns the norms and roles that society has created for his or her gender, plays a significant role in the establishment of her or his sense of femaleness or maleness. If a child learns she is a female and is raised as a female, the child believes she is a female; if a child is told he is a male and is raised as a male, the child believes he is male.
