Kinns Medical Assistant Workbook Answers

The medical assistant is one of the first people to interact with patients. He or she records basic patient data and often assists the practitioner with office procedures and

minor surgery. There is a lot to know if you are to do well on questions about medical procedures and this study guide will give you an outline of what you need to study.

Free Study Guide for the Medical Assistant test (Updated 2021)

A medical assistant must be able to put patients at ease and explain medical instructions and/ or procedures – although when interacting with patients, a medical assistant should not discuss a patient's complaint with them as well as giving a prognosis (prognosis is the opinion to the probable cause and outcome of a disease), as patients tend ...
