Digital Detox is definitely a new term for most of us. It's the
period of time during which a person refrains from using
electronic devices such as smartphones or computers. And when
I find out about this term, it just blew my mind away. And kept
me thinking for hours, how messed up our digital space is, these
days.

What is Digital Detox and how to start with it? - MrNoob

A digital detox refers to a period of time when a person refrains
from using tech devices such as smartphones, televisions,
computers, tablets, and social media sites. “Detoxing” from
digital devices is often seen as a way to focus on real-life social
interactions without distractions.
