Teaching With Cases A Practical Guide - s2.kora.com

In his book *Teaching & Writing Cases: A Practical Guide*, John Heath identifies the essential steps before searching for a case: to be "clear about your teaching/learning objectives" and understand the level of experience and maturity of the group to be taught. He advises that both the content and the way the case is written are important: the case "should not only address the issues you wish to explore but also capture a student's interest in its first few lines."
