When I reviewed The Elven, the first book in The Saga of the Elven series, I rated it at 4 stars, because the story, the pace, and the character development ranged from a 3 to a 5 during my reading. Blood of Elves - Wikipedia

The Elven is probably my favorite book of all time since it had excellent character development and was its own story wrapped into a nice, 800 page package (not to mention the beautiful descriptions and the story itself). Elven Winter is also quite enjoyable, but once you get about halfway through it's quite obviously not a standalone novel.
