Fourth Edition

The language dimension in all subjects

A handbook for curriculum development and teacher training
Council of Europe

Mastering the language of schooling is essential for learners to develop the skills necessary for school success and

for critical thinking. It is fundamental for participation in democratic societies, and for social inclusion and cohesion. This handbook is a policy and working document which promotes convergence and coherence between the linguistic dimensions of various school subjects. It proposes measures to make explicit - in curricula, pedagogic material and teacher training - the specific linguistic norms and competences which learners must master in each school subject. It also presents the learning modalities that should allow all learners, and in particular the most vulnerable among them, to benefit from diversified language-learning situations in order to develop their cognitive and linguistic capacities.
