The Universal Sense How Hearing
[The Universal Sense], about the way hearing shapes the 'evolution, development, and day-to-day function of the mind,' can be genuinely poetic. It is also laced with humor. Horowitz says he attempted less a text than a venue for imparting 'wonder.' He succeeds, unearthing one little-known gem after another. (Publishers Weekly (starred review))

Why do city folks have trouble sleeping in the country, and vice versa?In this fascinating exploration, research psychologist and sound engineer Seth Horowitz shows how our sense of hearing manipulates the way we think, consume, sleep, and feel.Starting with the basics of the biology, Horowitz explains why we hear what we hear, and in turn, how we've learned to manipulate sound: into music, commercial jingles, car horns, and modern inventions like cochlear implants, ultrasound scans, and the ...

The Universal Sense: How Hearing Shapes the Mind: Seth ...
His new book, The Universal Sense: How Hearing Shapes the Mind, offers an engaging exploration on the extent to which what we hear dwells below conscious thought and the ways in which the presence of sound drives the evolution, development and day-to-day function of the mind. As one who lost his hearing in early childhood and later had it restored, Horowitz is intrigued by sound, which, he argues, is more important than sight in the cognition process.
