Masterfully written by John Green, this is a thoughtful, insightful and hilarious coming-of-age story.

Will Grayson, Will Grayson *Penguin*

Two award-winning and New York Times–bestselling author join forces for a collaborative novel of awesome proportions. One cold night, in a most unlikely corner of Chicago, two teens—both named Will Grayson—are about to cross paths. As their worlds collide and intertwine, the Will Graysons find their lives going in new and unexpected directions, building toward romantic turns-of-heart and the epic production of history's most fabulous high school musical. Hilarious, poignant, and deeply insightful, John

Green and David Levithan's collaborative novel is brimming with a double helping of the heart and humor that have won them both legions of faithful fans. A New York Times Book Review Editor's Choice An ALA Stonewall Honor Book "Will Grayson, Will Grayson is a complete romp. [It is] so funny, rude and original that by the time flowers hit the stage, even the musical-averse will cheer." —The New York Times Book Review ★"Will have readers simultaneously laughing, crying and singing at the top of their lungs."—Kirkus Reviews, starred review "It is such a good book. [Green and Levithan] are two of the best writers writing today." —NPR'sThe Roundtable

Lewis Carroll *Sterling Publishing Company, Inc.*

Presents a collection of the author's poetry with color paintings that illustrate imaginary worlds and fantastic characters.

White Fang *BookRix*

White Fang is a novel by American author Jack London and the name of the book's eponymous character, a wild wolf-dog. Much of White Fang is written from the viewpoint of the titular canine character, enabling London to explore how animals view their world and how they view humans. White Fang examines the violent world of wild animals and the equally violent world of humans. The book also explores complex themes including morality and redemption. The story begins before the three-quarters wolf-dog hybrid is born, with two men and their sled dog team on a journey to deliver a coffin to a remote town named Fort McGurru in the higher area of the Yukon Territory, Canada. The men, Bill and Henry, are stalked by a large pack of starving

wolves over the course of several days. Finally, after all of their dogs and Bill have been eaten, four more teams find Henry trying to escape from the wolves; the wolf pack scatters when they hear the large group of people coming. The story then follows the pack, which has been robbed of its last prey. When the pack finally brings down a moose, the famine is ended; they eventually split up, and the story now follows a she-wolf and her mate, One Eye. The she-wolf gives birth to a litter of five cubs by the Mackenzie River, and all but one die from hunger. One Eye is killed by a lynx while trying to rob its den for food for the she-wolf and her cub; his mate later discovers his remains near the lynx's den. The surviving cub and the she-wolf are left to fend for themselves. Shortly afterward, the she-wolf kills all the lynx kittens, prompting the lynx to track her down, and a vicious fight breaks out. The she-wolf eventually kills the lynx but suffers severe injury; the lynx carcass is devoured over a period of seven days.

The Call of the Wild

The adventures of an unusual dog, part St. Bernard, part Scotch shepherd, forcibly taken to the Klondike gold fields where he eventually becomes the leader of a wolf pack.

The Anthropocene Reviewed

Essays on a Human-Centered Planet *Penguin*

A deeply moving and insightful collection of personal essays from #1 bestselling author John Green. The Anthropocene is the current geologic age, in which humans have profoundly reshaped

the planet and its biodiversity. In this remarkable symphony of essays adapted and expanded from his groundbreaking podcast, bestselling author John Green reviews different facets of the human-centered planet on a five-star scale—from the QWERTY keyboard and sunsets to Canada geese and Penguins of Madagascar. Funny, complex, and rich with detail, the reviews chart the contradictions of contemporary humanity. As a species, we are both far too powerful and not nearly powerful enough, a paradox that came into sharp focus as we faced a global pandemic that both separated us and bound us together. John Green's gift for storytelling shines throughout this masterful collection. *The Anthropocene Reviewed* is a open-hearted exploration of the paths we forge and an unironic celebration of falling in love with the world.

After You

A Novel Penguin

From the New York Times bestselling author of *The Giver of Stars*, discover the love story that captured over 20 million hearts in *Me Before You*, *After You*, and *Still Me*. “You’re going to feel uncomfortable in your new world for a bit. But I hope you feel a bit exhilarated too. Live boldly. Push yourself. Don’t settle. Just live well. Just live. Love, Will.” How do you move on after losing the person you loved? How do you build a life worth living? Louisa Clark is no longer just an ordinary girl living an ordinary life. After the transformative six months spent with Will Traynor, she is struggling without him. When an extraordinary accident forces Lou to return home to her family, she can’t help but feel she’s

right back where she started. Her body heals, but Lou herself knows that she needs to be kick-started back to life. Which is how she ends up in a church basement with the members of the Moving On support group, who share insights, laughter, frustrations, and terrible cookies. They will also lead her to the strong, capable Sam Fielding—the paramedic, whose business is life and death, and the one man who might be able to understand her. Then a figure from Will’s past appears and hijacks all her plans, propelling her into a very different future. . . . For Lou Clark, life after Will Traynor means learning to fall in love again, with all the risks that brings. But here Jojo Moyes gives us two families, as real as our own, whose joys and sorrows will touch you deeply, and where both changes and surprises await.

After We Collided Simon and Schuster

The inspiration behind the major motion picture *After We Collided!* From New York Times bestselling author and Wattpad sensation Anna Todd, “the biggest literary phenom of her generation” (*Cosmopolitan*), comes the sequel to the internet’s most talked-about book—now with new exclusive material! Tessa has everything to lose. Hardin has nothing to lose...except her. AFTER WE COLLIDED...Life will never be the same. After a tumultuous beginning to their relationship, Tessa and Hardin were on the path to making things work. She knew he could be cruel, but when a bombshell revelation is dropped about the origins of their relationship—and Hardin’s mysterious past—Tessa is beside herself. Hardin will always be...Hardin. But is he really the deep, thoughtful guy Tessa fell madly in love with despite his angry exterior, or has he been a stranger all along? She wishes

she could walk away. It's just not that easy. Not with the memory of passionate nights spent in his arms. His electric touch. His hungry kisses. Still, Tessa's not sure she can endure one more broken promise. She put so much on hold for Hardin—school, friends, her mom, a relationship with a guy who really loved her, and now possibly even a promising new career. She needs to move forward with her life. Hardin knows he made a mistake, possibly the biggest one of his life. He's not going down without a fight. But can he change? Will he change...for love?

Lolita *Vintage*

Awe and exhilaration--along with heartbreak and mordant wit--abound in *Lolita*, Nabokov's most famous and controversial novel, which tells the story of the aging Humbert Humbert's obsessive, devouring, and doomed passion for the nymphet Dolores Haze. *Lolita* is also the story of a hypercivilized European colliding with the cheerful barbarism of postwar America. Most of all, it is a meditation on love--love as outrage and hallucination, madness and transformation.

A Woman's Way through the Twelve Steps *Simon and Schuster*

Geared specifically to women, this book brings a feminine perspective to the Twelve Step program, searching out the healing messages beneath the male-oriented words. Recovery is not a man's world, and yet to a woman it can sometimes seem that way. Geared specifically to that woman, this book brings a feminine perspective to the Twelve Step program, searching out the healing messages beneath the male-oriented words. Based

on an open exploration and a flexible interpretation of the Twelve Steps, this new perspective takes into account the psychological development of women as it relates to addiction and recovery, as well as the social and cultural factors that affect women in particular. Acknowledging that recovery raises special issues for women--from questions about sexuality, relationships, and everyday life to anxieties about speaking up at mixed-gender meetings--*A Woman's Way* through the Twelve Steps focuses directly on the feminine experience of addiction and healing. The author explores the Twelve Steps one by one, reiterating each in its traditional language, then explaining and illustrating it in a way that highlights a woman's experience--empowering the reader to take ownership of her own recovery process as well as her growth as a woman.

Zero to One

Notes on Startups, or How to Build the Future *Currency*

#1 NEW YORK TIMES BESTSELLER If you want to build a better future, you must believe in secrets. The great secret of our time is that there are still uncharted frontiers to explore and new inventions to create. In *Zero to One*, legendary entrepreneur and investor Peter Thiel shows how we can find singular ways to create those new things. Thiel begins with the contrarian premise that we live in an age of technological stagnation, even if we're too distracted by shiny mobile devices to notice. Information technology has improved rapidly, but there is no reason why progress should be limited to computers or Silicon Valley. Progress can be achieved in any industry or area of business. It

comes from the most important skill that every leader must master: learning to think for yourself. Doing what someone else already knows how to do takes the world from 1 to n, adding more of something familiar. But when you do something new, you go from 0 to 1. The next Bill Gates will not build an operating system. The next Larry Page or Sergey Brin won't make a search engine. Tomorrow's champions will not win by competing ruthlessly in today's marketplace. They will escape competition altogether, because their businesses will be unique. Zero to One presents at once an optimistic view of the future of progress in America and a new way of thinking about innovation: it starts by learning to ask the questions that lead you to find value in unexpected places.

City of the Beasts *HarperCollins*

A search for the Beast, a Yeti-like creature within the heart of the Amazon, becomes a quest for self-discovery in this young adult coming-of-age story filled with international adventure, rich mythology, and magical realism from globally celebrated novelist Isabel Allende. Fifteen-year-old Alexander Cold has the chance to take the trip of a lifetime. Parting from his family and ill mother, Alexander joins his fearless grandmother, a magazine reporter for International Geographic, on an expedition to the dangerous, remote world of the Amazon. Their mission, along with the others on their team—including a celebrated anthropologist, a local guide and his young daughter Nadia, and a doctor—is to document the legendary Yeti of the Amazon known as the Beast. Under the dense canopy of the jungle, Alexander is amazed to discover much more than he could have imagined about the

hidden worlds of the rain forest. Drawing on the strength of the jaguar, the totemic animal Alexander finds within himself, and the eagle, Nadia's spirit guide, both young people are led by the invisible People of the Mist on a thrilling and unforgettable journey to the ultimate discovery.

Lock Every Door

A Novel *Penguin*

THE INSTANT NEW YORK TIMES BESTSELLER “Looking for a suspense novel that will keep you up until way past midnight? Look no further than Lock Every Door, by Riley Sager.”—Stephen King No visitors. No nights spent elsewhere. No disturbing the rich and famous residents. These are the rules for Jules Larsen's new job apartment sitting at the Bartholomew, one of Manhattan's most high-profile buildings. Recently heartbroken—and just plain broke—Jules is taken in by the splendor and accepts the terms, ready to leave her past life behind. As she gets to know the occupants and staff, Jules is drawn to fellow apartment sitter Ingrid, who reminds her so much of the sister she lost eight years ago. When Ingrid confides that the Bartholomew has a dark history hidden beneath its gleaming façade, Jules brushes it off as a harmless ghost story—until the next day when Ingrid seemingly vanishes. Searching for the truth, Jules digs deeper into the Bartholomew's sordid past. But by uncovering the secrets within its walls, Jules exposes herself to untold terrors. Because once you're in, the Bartholomew doesn't want you to leave....

Tell Me What You Want *AmazonCrossing*

In this international bestselling romance by Megan Maxwell, love is the ultimate forbidden pleasure. Getting stuck in an elevator with a flirtatious and charismatic stranger leaves Jude Flores flustered enough--even before she realizes that he's Eric Zimmerman, the powerful billionaire CEO...and her powerfully sexy new boss. Having arrived in Spain to take over his company's office, Eric is clearly interested in more than business. He notices Jude for her brilliance and talent, but it's her humility that excites him the most. Seduced by Eric's attention, Jude accepts his bold invitation into his private life--a series of secret sensual games designed to open Jude up to a world of pleasure she'd only fantasized about. With each clandestine meeting comes Eric's desire to push further. And before long, Jude is falling--helplessly, willingly, and without inhibition. But as their relationship deepens, Jude begins to wonder what other secrets Eric is hiding behind that sexy smile--and how far she's willing to go to find out.

Cloaked in Shadow

Romance. Magic. Lies. For fans of elves, shapeshifters and elemental control.

Galveston

A Novel *Simon and Schuster*

After being diagnosed with lung cancer, Roy Cady kills the men hired by his loan shark boss to kill him, and flees to Galveston, Texas, with a prostitute and her young sister, where they face

more problems.

The Madman's Tale *Fawcett Books*

Twenty years after the asylum where he had spent much of his life is closed, Francis Petrel recounts dark memories about the unsolved murder of a young nurse and anticipates an upcoming reunion with his former fellow patients, an event that is haunted by the possible return of the killer. Reprint.

In Cold Blood *Modern Library*

Selected by the Modern Library as one of the 100 best nonfiction books of all time From the Modern Library's new set of beautifully repackaged hardcover classics by Truman Capote—also available are *Breakfast at Tiffany's* and *Other Voices, Other Rooms* (in one volume), *Portraits and Observations*, and *The Complete Stories* Truman Capote's masterpiece, *In Cold Blood*, created a sensation when it was first published, serially, in *The New Yorker* in 1965. The intensively researched, atmospheric narrative of the lives of the Clutter family of Holcomb, Kansas, and of the two men, Richard Eugene Hickock and Perry Edward Smith, who brutally killed them on the night of November 15, 1959, is the seminal work of the "new journalism." Perry Smith is one of the great dark characters of American literature, full of contradictory emotions. "I thought he was a very nice gentleman," he says of Herb Clutter. "Soft-spoken. I thought so right up to the moment I cut his throat." Told in chapters that alternate between the Clutter household and the approach of Smith and Hickock in their black Chevrolet, then between the investigation of the case and the killers' flight, Capote's account is so detailed that the reader

comes to feel almost like a participant in the events.

Abundance

The Future Is Better Than You Think *Simon and Schuster*

The authors document how four forces--exponential technologies, the DIY innovator, the Technophilanthropist, and the Rising Billion--are conspiring to solve our biggest problems. "Abundance" establishes hard targets for change and lays out a strategic roadmap for governments, industry and entrepreneurs, giving us plenty of reason for optimism.

The Girl on the Train

A Novel *Penguin*

The #1 New York Times Bestseller, USA Today Book of the Year, now a major motion picture starring Emily Blunt. The debut psychological thriller that will forever change the way you look at other people's lives, from the author of *Into the Water* and *A Slow Fire Burning*. "Nothing is more addicting than *The Girl on the Train*."—Vanity Fair "The *Girl on the Train* has more fun with unreliable narration than any chiller since *Gone Girl*. . . . [It] is liable to draw a large, bedazzled readership."—The New York Times "Marries movie noir with novelistic trickery. . . . hang on tight. You'll be surprised by what horrors lurk around the bend."—USA Today "Like its train, the story blasts through the stagnation of these lives in suburban London and the reader cannot help but turn pages."—The Boston Globe "Gone Girl fans will devour this psychological thriller."—People EVERY DAY THE

SAME Rachel takes the same commuter train every morning and night. Every day she rattles down the track, flashes past a stretch of cozy suburban homes, and stops at the signal that allows her to daily watch the same couple breakfasting on their deck. She's even started to feel like she knows them. Jess and Jason, she calls them. Their life--as she sees it--is perfect. Not unlike the life she recently lost. UNTIL TODAY And then she sees something shocking. It's only a minute until the train moves on, but it's enough. Now everything's changed. Unable to keep it to herself, Rachel goes to the police. But is she really as unreliable as they say? Soon she is deeply entangled not only in the investigation but in the lives of everyone involved. Has she done more harm than good?

The Time of My Life

A Novel *Harper Collins*

Lucy Silchester keeps receiving this strange appointment card and sweeping its gold embossed envelope under the rug. Literally. She busies herself with a job she doesn't like, helping out friends, fixing her car, feeding her cat, and devoting her time to her family's dramas. But Lucy is about to find out that this is one appointment she can't miss, when Life shows up at her door, in the form of a sloppy but determined man. Life follows her everywhere - from the office, to the bar, and to her bedroom - and Lucy learns that some of the choices she has made and the stories she has told aren't what they seem. Now her half-truths are about to be revealed, unless Lucy tells the truth about what really matters to her. *The Time of My Life* is another warm,

thought-provoking novel from Cecelia Ahern, internationally bestselling author of *P.S. I Love You*.

Ami, Child of the Stars *Lotus Press (WI)*

Visiting a young boy on earth, an extraterrestrial delivers an environmental message of hope from the stars.

The Pilo Family Circus *HarperCollins Australia*

Jamie's tyres squealed to a halt. Standing in the glare of the headlights was an apparition dressed in a puffy shirt with a garish flower pattern. It wore oversized red shoes, striped pants and white face paint. It stared at him with ungodly boggling eyes, then turned away...this seemingly random incident triggers a nightmarish chain of events as Jamie finds he is being stalked by a trio of gleefully sadistic clowns who deliver a terrifying ultimatum: you have two days to pass your audition. You better pass it, feller. You're joining the circus. Ain't that the best news you ever got? Jamie is plunged into the horrific alternate universe that is the centuries-old Pilo Family Circus, a borderline world between hell and earth from which humankind's greatest tragedies have been perpetrated. Yet in this place peopled by the gruesome, grotesque and monstrous, where violence and savagery are the norm, Jamie finds that his worst enemy is himself - for when he applies the white face paint, he is transformed into JJ, the most vicious clown of all. And JJ wants Jamie dead.

The Simple Wild

A Novel *Simon and Schuster*

City girl Calla Fletcher attempts to reconnect with her estranged father, and unwittingly finds herself torn between her desire to return to the bustle of Toronto and a budding relationship with a rugged Alaskan pilot in this masterful new romance from acclaimed author K.A. Tucker. Calla Fletcher was two when her mother took her and fled the Alaskan wild, unable to handle the isolation of the extreme, rural lifestyle, leaving behind Calla's father, Wren Fletcher, in the process. Calla never looked back, and at twenty-six, a busy life in Toronto is all she knows. But when her father reaches out to inform her that his days are numbered, Calla knows that it's time to make the long trip back to the remote frontier town where she was born. She braves the roaming wildlife, the odd daylight hours, the exorbitant prices, and even the occasional—dear God—outhouse, all for the chance to connect with her father: a man who, despite his many faults, she can't help but care for. While she struggles to adjust to this new subarctic environment, Jonah—the quiet, brooding, and proud Alaskan pilot who keeps her father's charter plane company operational—can't imagine calling anywhere else home. And he's clearly waiting with one hand on the throttle to fly this city girl back to where she belongs, convinced that she's too pampered to handle the wild. Jonah is probably right, but Calla is determined to prove him wrong. As time passes, she unexpectedly finds herself forming a bond with the burly pilot. As his undercurrent of disapproval dwindles, it's replaced by friendship—or perhaps something deeper? But Calla is not in Alaska to stay and Jonah will never leave. It would be foolish of her to kindle a romance, to take the same path her parents

tried—and failed at—years ago. It's a simple truth that turns out to be not so simple after all.

I Am Malala

The Girl Who Stood Up for Education and Was Shot by the Taliban *Little, Brown*

A MEMOIR BY THE YOUNGEST RECIPIENT OF THE NOBEL PEACE PRIZE As seen on Netflix with David Letterman "I come from a country that was created at midnight. When I almost died it was just after midday." When the Taliban took control of the Swat Valley in Pakistan, one girl spoke out. Malala Yousafzai refused to be silenced and fought for her right to an education. On Tuesday, October 9, 2012, when she was fifteen, she almost paid the ultimate price. She was shot in the head at point-blank range while riding the bus home from school, and few expected her to survive. Instead, Malala's miraculous recovery has taken her on an extraordinary journey from a remote valley in northern Pakistan to the halls of the United Nations in New York. At sixteen, she became a global symbol of peaceful protest and the youngest nominee ever for the Nobel Peace Prize. I AM MALALA is the remarkable tale of a family uprooted by global terrorism, of the fight for girls' education, of a father who, himself a school owner, championed and encouraged his daughter to write and attend school, and of brave parents who have a fierce love for their daughter in a society that prizes sons. I AM MALALA will make you believe in the power of one person's voice to inspire change in the world.

Surviving Pablo Escobar

"Popeye" The Hitman 23 years and 3 months in prison *Ediciones y Distribuciones Dipon Ltda.*

I've begged God for forgiveness, but I won't know till the day I die if He has truly forgiven me ... I've paid my dues to society by serving my long sentence, but perhaps I haven't earned His indulgence ... Oh my God, I've lived so many different lives! I survived Pablo Escobar Gaviria, El Patrón (The Boss), and it was the strength of his indomitable spirit that kept me going all these years; I don't quite know how or why. I still feel his presence every day of my existence. The Medellin cartel's crimes weigh as heavily on my shoulders today as they did yesterday. My youth, wasted in crime, became the sword that now hangs over my graying head. To the world, I'll always be known by my alias, Popeye, the fearsome hitman of the Medellin cartel, Pablo Escobar Gaviria's right-hand man ... How can I make you understand I'm a new man ... that twenty-three years behind bars in that hellhole have transformed the person I once was. Now the freedom I yearned for is vanishing in the murderous hands of my enemies. Perhaps fate has extended my life only to toy with me by preparing my own dying moments. I survived in captivity but I don't know if I'll be able to live in freedom ... A prisoner of my own mind, I'll try to fight to find some peace ... It's very cold ... now it's August 2014. I'm one step from freedom and I'm still breathing ... still here in this dimly lit cell in the maximum security prison in Cúmbita, Boyacá.

Delirium

A Novel *Vintage*

In this remarkably nuanced novel, both a gripping detective story and a passionate, devastating tale of eros and insanity in Colombia, internationally acclaimed author Laura Restrepo delves into the minds of four characters. There's Agustina, a beautiful woman from an upper-class family who is caught in the throes of madness; her husband Aguilar, a man passionately in love with his wife and determined to rescue her from insanity; Agustina's former lover Midas, a drug-trafficker and money-launderer; and Nicolás, Agustina's grandfather. Through the blend of these distinct voices, Restrepo creates a searing portrait of a society battered by war and corruption, as well as an intimate look at the daily lives of people struggling to stay sane in an unstable reality.

Ser Feliz en Alaska

Mentes Fuertes Contra Viento Y Marea

El nuevo libro de Rafael Santandreu presenta un método contrastado científicamente que nos permite convertirnos en personas sanas y fuertes emocionalmente, sosegadas, centradas

en el presente y liberadas de todos nuestros temores. Todas las neuronas que nos amargan la vida -ansiedad, depresión, estrés, timidez-, todas las preocupaciones y miedos, son sencillamente el resultado de una mentalización errónea que podemos revertir de forma permanente. Ser feliz en Alaska presenta el método para lograrlo de la mano de la escuela terapéutica más eficaz del mundo: la moderna Psicología cognitiva. Con mis dos libros anteriores, El arte de no amargarse la vida y Las gafas de la felicidad, he conseguido llegar a millones de lectores, lo cual es siempre un gozo para un autor. Y también es un orgullo que mis libros se estudien en las facultades de Psicología de todo el mundo. Pero lo más satisfactorio es recibir diariamente correos electrónicos de personas que han transformado completamente sus vidas con estas lecturas. Incluso en casos de trastornos psicológicos considerados "graves" por otros profesionales de la salud. Con Ser feliz en Alaska he querido dar un paso más depurando la metodología de la Psicología cognitiva en tres grandes pasos, que están en la base de cualquier proceso de transformación: 1) Orientarse hacia el interior. 2) Aprender a andar ligeros. 3) Aprender lo que nos rodea. Aplicados con intensidad todos los días, estos tres pasos son la clave de una mente "musculada", que no se perturba. Con la cabeza bien amueblada, ninguna adversidad será motivo para impedirnos disfrutar de la vida en toda su plenitud. Rafael Santandreu Reseñas: Con este libro iniciamos un viaje fascinante hacia la paz interior. Manolo García Ser feliz en Alaska contiene el mejor método diseñado para adquirir fortaleza emocional. See You in the Cosmos *Penguin*

"Eleven-year-old Alex Petroski, along with his dog, Carl Sagan, makes big discoveries about his family on a road trip and he records it all on a golden iPod he intends to launch into space"--

Twilight *Little, Brown Books for Young Readers*

Fall in love with the addictive, suspenseful love story between a teenage girl and a vampire with the book that sparked a "literary phenomenon" and redefined romance for a generation (New York Times). Isabella Swan's move to Forks, a small, perpetually rainy town in Washington, could have been the most boring move she ever made. But once she meets the mysterious and alluring Edward Cullen, Isabella's life takes a thrilling and terrifying turn. Up until now, Edward has managed to keep his vampire identity a secret in the small community he lives in, but now nobody is safe, especially Isabella, the person Edward holds most dear. The lovers find themselves balanced precariously on the point of a knife -- between desire and danger. Deeply romantic and extraordinarily suspenseful, *Twilight* captures the struggle between defying our instincts and satisfying our desires. This is a love story with bite. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of *Twilight* with the highly anticipated companion, *Midnight Sun*: the iconic love story of Bella and Edward told from the vampire's point of view. "People do not want to just read Meyer's books; they want to climb inside them and live there." -- Time "A literary phenomenon." -- The New York Times

Snow Crash

A Novel *Spectra*

In this mind-altering romp—where the term “Metaverse” was first coined—you’ll experience a future America so bizarre, so outrageous, you’ll recognize it immediately • One of Time’s 100 best English-language novels Only once in a great while does a writer come along who defies comparison—a writer so original he redefines the way we look at the world. Neal Stephenson is such a writer and *Snow Crash* is such a novel, weaving virtual reality, Sumerian myth, and just about everything in between with a cool, hip cybersensibility to bring us the gigathriller of the information age. In reality, Hiro Protagonist delivers pizza for Uncle Enzo’s CosoNostra Pizza Inc., but in the Metaverse he’s a warrior prince. Plunging headlong into the enigma of a new computer virus that’s striking down hackers everywhere, he races along the neon-lit streets on a search-and-destroy mission for the shadowy virtual villain threatening to bring about infocalypse. Praise for *Snow Crash* “[*Snow Crash* is] a cross between *Neuromancer* and Thomas Pynchon’s *Vineland*. This is no mere hyperbole.”—The San Francisco Bay Guardian “Fast-forward free-style mall mythology for the twenty-first century.”—William Gibson “Brilliantly realized . . . Stephenson turns out to be an engaging guide to an onrushing tomorrow.”—The New York Times Book Review

Security Analysis: Sixth Edition, Foreword by Warren Buffett *McGraw Hill Professional*

"A road map for investing that I have now been following for 57

years." --From the Foreword by Warren E. Buffett First published in 1934, *Security Analysis* is one of the most influential financial books ever written. Selling more than one million copies through five editions, it has provided generations of investors with the timeless value investing philosophy and techniques of Benjamin Graham and David L. Dodd. As relevant today as when they first appeared nearly 75 years ago, the teachings of Benjamin Graham, "the father of value investing," have withstood the test of time across a wide diversity of market conditions, countries, and asset classes. This new sixth edition, based on the classic 1940 version, is enhanced with 200 additional pages of commentary from some of today's leading Wall Street money managers. These masters of value investing explain why the principles and techniques of Graham and Dodd are still highly relevant even in today's vastly different markets. The contributor list includes: Seth A. Klarman, president of The Baupost Group, L.L.C. and author of *Margin of Safety* James Grant, founder of Grant's Interest Rate Observer, general partner of Nippon Partners Jeffrey M. Laderman, twenty-five year veteran of BusinessWeek Roger Lowenstein, author of *Buffett: The Making of an American Capitalist* and *When America Aged and Outside Director, Sequoia Fund* Howard S. Marks, CFA, Chairman and Co-Founder, Oaktree Capital Management L.P. J. Ezra Merkin, Managing Partner, Gabriel Capital Group . Bruce Berkowitz, Founder, Fairholme Capital Management. Glenn H. Greenberg, Co-Founder and Managing Director, Chieftain Capital Management Bruce Greenwald, Robert Heilbrunn Professor of Finance and Asset Management, Columbia Business School David

Abrams, Managing Member, Abrams Capital Featuring a foreword by Warren E. Buffett (in which he reveals that he has read the 1940 masterwork "at least four times"), this new edition of *Security Analysis* will reacquaint you with the foundations of value investing—more relevant than ever in the tumultuous 21st century markets.

Degradation *CreateSpace*

Eighteen year old Tatum O'Shea is a naive, shy, little rich girl. Twenty-three year old Jameson Kane is smart, seductive, and richer. They come together for one night, one explosion, one mistake, and Tate is hurled into space - no family, no money, and no Jameson. Seven years later, life is going pretty good for Tate, when she runs into Jameson again. This time, she thinks she's ready for him. She doesn't have a naive bone left in her body, and she can't even remember what shy feels like. Jameson has evolved into Satan - sharp teeth, sharper claws, and a tongue that can cut her in half. It all sounds like fun to a girl like Tate, and she is ready to play, determined to prove that she isn't the same girl he conquered once before. A series of games start, each one more devious than the last. But the devil likes to play dirty, and she learns that playing for souls is playing for keeps. The lines between games and reality, heaven and hell, get blurry. Can she beat Jameson at his own game before someone gets hurt? Or will he leave her soulless, making him the winner, once and for all? **WARNING:** contains a wannabe B-rate porn star, an impersonal personal assistant, and the F-word, A LOT. Also graphic sexual situations and sadomasochistic themes
