In Good God authors David Baggett and Jerry Walls present a solid philosophical argument defending the existence and exploring the nature of a fully loving, all-powerful deity. Their

argument is unique in three respects: its appeal to the general reader, its expansive coverage drawing together moral apologetics with theistic ethics, and its exploring the nature of God, not simply defending his existence.

Good God: The Theistic Foundations of Morality by David Baggett and Jerry L. Walls is a spirited defense of both the moral argument (MA) for God's existence and a specific version of Divine Command Theory (DCT). The MA claims that morality is based in God and DCTs attempt to specify how morality is based in God.
