Fields Of Desire Poverty And

In this important new book, High argues that poverty reduction policies are formulated and implemented in fields of

desire. Drawing on psychoanalytic understandings of desire, she shows that such programs circulate around the question of what is lacking. Far from rational responses to measures of need, then, the politics of poverty are unconscious, culturally expressed, mutually contradictory, and sometimes contrary to self-interest.

In Fields of Desire: Poverty and Policy in

Laos (NUS Press, 2014), Holly High recounts how Laotian villagers participate in road projects they know will fail, attempt to restart irrigation schemes they had only recently thwarted, and engage with a state they distrust not because they lack awareness, but out of culturally embedded desire. Poverty alleviation campaigns aim to enlist people into cooperative projects with appeals to egalitarianism and democratic choice, yet the success of mutual ...
