Coffee Will Make You Black

A Novel *Open Road Media*

"A funny, fresh novel about growing up African-American in 1960s Chicago" by an author who "writes like Terry McMillan's kid sister" (Entertainment Weekly). In this hilarious and insightful coming-of-age novel, author April Sinclair introduces the charming Jean "Stevie" Stevenson, a young woman raised on Chicago's South Side during an era of irrevocable social upheaval. Curious and witty, bold but naïve, Stevie grows up debating the qualities

of good hair and dark skin. As the years pass, her family and neighborhood are changed by the times, from the War on Poverty to race riots and the assassination of Martin Luther King Jr., from "Black Is Beautiful" to Black Power. Against this remarkable backdrop, Stevie makes the sometimes harrowing, often comic, always enthralling transformation into a young adult—socially aware, discovering her sexuality, and proud of her identity. "Whether she's dealing with a subject as monumental as the civil rights movement or as intimate as Stevie's first sexual encounters," writes the Los Angeles Times, "Sinclair never fails to make you laugh and

never sacrifices the narrative to make a point." Winner of the Carl Sandburg Award from the Friends of the Chicago Public Library and named a best book of the year in young adult fiction by the American Library Association, *Coffee Will Make You Black* is an exquisite portrait of adolescence that will resonate with readers of all ages.

Coffee Will Make You Black *Harper Collins*

Chronicles the experiences of Stevie, a bookish African American girl growing up on Chicago's South Side during the 1960s

I Take My Coffee Black

Reflections on Tupac, Musical Theater, Faith, and Being Black in America *Worthy Books*

As a 6'2" dreadlocked black man, Tyler Merritt knows what it feels like to be stereotyped as threatening, which can have dangerous consequences. But he also knows that proximity to people who are different from ourselves can be a cure for racism. Tyler Merritt's video "Before You Call the Cops" has been viewed millions of times. He's appeared on Jimmy Kimmel and Sports Illustrated and

has been profiled in the New York Times. The viral video's main point—the more you know someone, the more empathy, understanding, and compassion you have for that person—is the springboard for this book. By sharing his highs and exposing his lows, Tyler welcomes us into his world in order to help bridge the divides that seem to grow wider every day. In *I Take My Coffee Black*, Tyler tells hilarious stories from his own life as a black man in America. He talks about growing up in a multi-cultural community and realizing that he wasn't always welcome, how he quit sports for musical theater (that's where the girls were) to how Jesus barged in uninvited and changed his life forever (it all started with a Triple F.A.T. Goose jacket) to how he ended up at a small Bible college in Santa Cruz because he thought they had a great theater program (they didn't). Throughout his stories, he also seamlessly weaves in lessons about privilege, the legacy of lynching and sharecropping and why you don't cross black mamas. He teaches readers about the history of encoded racism that still undergirds our society today. By turns witty, insightful, touching, and laugh-out-loud funny, *I Take My Coffee Black* paints a portrait of black manhood in America and enlightens, illuminates, and entertains—ultimately building the kind of

empathy that might just be the antidote against the racial injustice in our society.

Coffee Will Make You Black

The Little Black Book of Coffee

The Essential Guide to Your Favorite Perk-Me-up

Peter Pauper Press, Inc.

Rise and shine! From roasts to brews, coffee bean to coffee cup, this "Essential Guide to Your Favorite Perk-Me-Up" gets you into the espresso lane with more than 70 tempting recipes for hot, cold, and spirited coffee drinks, plus treats to make with coffee, and (of course) treats to eat with coffee. Also covers coffee's history, geography, processing and roasting, the art of

tasting, and much more. From Caffè Latte to Coffee-Maple Whip, from Irish Coffee to a Midnight Martini, from Mocha Cheesecake to Viennese Sacher Torte, this is the perfect book for any coffee connoisseur!

Black Coffee Blues

Virgin Publishing

'If I lose the light of the sun, I will write by candlelight, moonlight, no light, If I lose paper and ink, I will write in blood on forgotten walls. I will write always. I will capture nights all over the world and bring them to you.' Henry Rollins, renowned spoken-word performer, musician, actor and author of several books, has a unique, hard-edged view of the world. This collection of writings from 1989 - 1991 is the

classic Rollins book. From dramatic fiction shorts detailing stark, disturbing realities to gut-wrenching tour journals destroying all misconceptions of the glamour of fame and the music industry; from the challenging poetry to revealing dream sequences, Rollins' writing is unflinching in its honesty, uncompromising in its truth and irresistibly addictive.

**Drinking Coffee
Elsewhere** *Penguin*

The acclaimed debut short story collection that introduced the world to an arresting and unforgettable new voice in fiction, from multi-award winning author ZZ Packer Her impressive range and talent are abundantly evident: Packer dazzles

with her command of language, surprising and delighting us with unexpected turns and indelible images, as she takes us into the lives of characters on the periphery, unsure of where they belong. We meet a Brownie troop of black girls who are confronted with a troop of white girls; a young man who goes with his father to the Million Man March and must decide where his allegiance lies; an international group of drifters in Japan, who are starving, unable to find work; a girl in a Baltimore ghetto who has dreams of the larger world she has seen only on the screens in the television store nearby, where the Lithuanian shopkeeper holds out hope for attaining his own American Dream.

With penetrating insight, ZZ Packer helps us see the world with a clearer vision. Fresh, versatile, and captivating, *Drinking Coffee Elsewhere* is a striking and unforgettable collection, sure to stand out among the contemporary canon of fiction.

Milk in My Coffee
Penguin

From Eric Jerome Dickey comes the New York Times bestselling book that stirred up controversy with its bold portrayal of racial identity and subtle understanding of sexual intimacy. Jordan Greene is in culture shock when he arrives in Manhattan from his Tennessee hometown. Still, he manages to keep the pace and stay in the race, with a Wall

Street job, a Queens apartment, and a very sexy girlfriend named J'nette. But when Jordan meets Kimberly Chavers, what starts as a shared cab ride turns into something more. This girl is funny, fiesty, fine...and white. And for a man with Malcolm X's picture hanging on his office wall, that's a definite problem.... This brightly entertaining and emotionally complex novel demonstrates why Eric Jerome Dickey was "one of the most successful Black authors of the last quarter-century" (The New York Times).

Ain't Gonna Be the Same Fool Twice

A Novel *Open Road Media*
Stevie Stevenson

graduates from college and embraces the liberating California lifestyle in award-winning author April Sinclair's follow-up to her "vivid and brilliant" (San Francisco Review of Books) debut novel *Coffee Will Make You Black*. Growing up black in 1960s Chicago, Jean "Stevie" Stevenson came of age amid the tumult of the civil rights movement, learning to value not just her race and gender but her sexuality as well. Now, nearly a decade later, Stevie is a college graduate enjoying a week of vacation in San Francisco. After getting a taste of the bohemian life, she can't bring herself to return home to her family and journalism career in Chicago. Instead, she's determined to spread her wings and discover her true self, experimenting with free love, gay pride, and vegetarianism; forging a friendship with a gay disco queen; and taking a job at the feminist Personal Change Counseling Center. As she falls in and out of love, Stevie takes time to observe both the absurd and the liberating qualities of the West Coast hippie lifestyle—and is constantly reminded that the journey to self-discovery likely has no end point. Written with the same bright wit and endless charm that made *Coffee Will Make You Black* such a beloved book, *Ain't Gonna Be the Same Fool Twice* is a delightful continuation of Stevie's story that

was hailed by Salon as “riply funny, unpretentious, and sincere.”

Strong Black Coffee

Poetry and Prose to Enliten, Encourage, and Entertain Americans of African Descent

Poetry and prose to encourage, enlighten, and entertain Americans of African descent...The term African-American to me implies that we are a people whose original home was Africa, i.e. we are recent immigrants from her hallowed shores. The implication therefore is this: that we are secondary U.S. citizens. In reality we are descended from a people whose original home was Africa. The journey from freedom

to bondage, to freedom again changed us. The rape and miscegenation mixed our blood with many of slavery's willing participants from Asia, Europe, and the Middle East. We used to think of our blood as tainted, and indeed, there are many people who still feel that way. That feeling has divided us...and it's too bad because...we are Americans first...and if you are an American of African descent, a descendant of the people, most of whom, were brought here by force, then you are in everyone and everyone is in you! This is your poetry. This is the voice of a motherless and fatherless child. This is the STRONG voice of a lost one now found. Now grab this strong

cup of black coffee, drink it up, and let it strengthen your soul!

Coffee

A Dark History

This is the tale of the wildfire spread of the consumption of a drink which is embedded in our history and our daily cultural life. The coffee industry worldwide employs more people - 30 million - than any other. It is the lifeblood of many third world countries, either earning them invaluable foreign currency or enslaving them to the monster that is modern global capitalism, depending on how you look at it. From obscure beginnings in East Africa a millennia ago and its early days as an aid to religious

devotion, coffee became an integral part of the rise of European mercantilism from the 17th-century onwards. As well as being a valued trading commodity, it was the preferred beverage of the merchants who did the trading. The rise of the coffee house and the City of London were inextricably, perhaps even mysteriously linked.

Black Coffee

HarperCollins UK

A full-length Hercule Poirot novel, adapted from Agatha Christie's stage play by Charles Osborne. Sir Claud Amory's revolutionary new formula for a powerful explosive is stolen. Locking his house-guests in the library, Sir Claud switches off the lights to allow the thief to

replace the formula, no questions asked. When the lights come on, he is dead, and Hercule Poirot and Captain Hastings have to unravel a tangle of family feuds, old flames and suspicious foreigners to find the killer and prevent a global catastrophe. **BLACK COFFEE** was Agatha Christie's first playscript, originally performed in 1930 and made into a now rarely-seen film the following year. Combining her typically beguiling plot and sparkling dialogue with his own faithful narrative, Charles Osborne's novelisation is 'A worthy addition to the Christie canon' (The Spectator)

Black Coffee

No Sugar No Cream

I Left My Back Door Open

A Novel *Open Road Media*

A successful female DJ refuses to let a few romantic catastrophes keep her down in award-winning author April Sinclair's dazzlingly soulful novel that was hailed as "a Bridget Jones's Diary for black women" by the New York Times Book Review Daphne "Dee Dee" Dupree has arrived at age 41 with a career she loves, but a romantic life she doesn't. Insecure about her weight and protective of her often-broken heart, Dee Dee is an expert at hiding her inward struggles from the thousands of Chicago residents who hear her on the radio every night. A successful, charismatic

DJ for the local blues station, Dee Dee is still looking for the type of love she's missed since her divorce. After a traumatic event at work, Dee Dee meets Skylar, a union mediator who could be just what she's looking for—if only there weren't so many obstacles in their way. Meanwhile, Dee Dee's coworker Jade is nearing her own divorce; her best friend, Sharon, has come out of the closet; and Sharon's teenage daughter is dangerously close to a breakdown. As Dee Dee works to ease the problems of her friends, she finally faces her own troubles—both old and new—in this uplifting, thought-provoking novel.

Coffee Gives Me Superpowers

An Illustrated Book about the Most Awesome Beverage on Earth *Andrews*

McMeel Publishing

If coffee is the foundation of your food pyramid, then this is your book. Inspired by Ryoko Iwata's popular Web site, I Love Coffee (en.ilovecoffee.jp),

Coffee Gives Me Superpowers is overflowing with infographics and fun, interesting facts about the most awesome beverage on earth written by Ryoko, a Japanese coffee-lover living in Seattle. The book includes the most popular pieces on the site, such as "Your Brain on Beer vs. Coffee," "10 Coffee Myths," "The Best Time of Day to Drink Coffee

(According to Science)," and "10 Things You Probably Didn't Know about Caffeine," plus 25 percent new, original material that is available only in this book.

Coffeeland

One Man's Dark Empire and the Making of Our Favorite Drug *Penguin*

A New York Times Book Review Editors' Choice "Extremely wide-ranging and well researched . . . In a tradition of protest literature rooted more in William Blake than in Marx." —Adam Gopnik, *The New Yorker* The epic story of how coffee connected and divided the modern world Coffee is an indispensable part of

daily life for billions of people around the world. But few coffee drinkers know this story. It centers on the volcanic highlands of El Salvador, where James Hill, born in the slums of Manchester, England, founded one of the world's great coffee dynasties at the turn of the twentieth century. Adapting the innovations of the Industrial Revolution to plantation agriculture, Hill helped turn El Salvador into perhaps the most intensive monoculture in modern history—a place of extraordinary productivity, inequality, and violence. In the process, both El Salvador and the United States earned the nickname "Coffeeland," but for starkly different

reasons, and with consequences that reach into the present. Provoking a reconsideration of what it means to be connected to faraway people and places, Coffeeland tells the hidden and surprising story of one of the most valuable commodities in the history of global capitalism.

Real Fresh Coffee

How to source, roast, grind and brew the perfect cup

Pavilion

Coffee is the most popular drink worldwide with around two billion cups consumed every day and more and more people are turning to good quality, fair trade coffee (premiumisation);

evident by the number of independent coffee shops opening up in towns and cities as well as the number of us playing home barista as the choice of specialist beans and professional coffee-making gadgets grows. Real Fresh Coffee is the indispensable guide for those who want to understand more about how to source and brew quality coffee so that you can choose your beans and make your perfect cup of fresh coffee with confidence. The book follows the chain from farming, processing, grading, shipping, roasting and brewing; teach you the full range of coffee styles available in modern coffee shops and how to recreate good quality coffee at home; learn to identify

regional and varietal differences; and how to make signature drinks.

Before the Coffee Gets Cold *Harlequin*

OVER ONE MILLION COPIES SOLD* *NOW AN INTERNATIONAL BESTSELLER If you could go back, who would you want to meet? In a small back alley of Tokyo, there is a café that has been serving carefully brewed coffee for more than one hundred years. Local legend says that this shop offers something else besides coffee—the chance to travel back in time. Over the course of one summer, four customers visit the café in the hopes of making that journey. But time travel isn't so simple, and there are rules that must be followed. Most

important, the trip can last only as long as it takes for the coffee to get cold. Heartwarming, wistful, mysterious and delightfully quirky, Toshikazu Kawaguchi's internationally bestselling novel explores the age-old question: What would you change if you could travel back in time?

The Coffee Lover's Diet

Change Your Coffee, Change Your Life *HarperCollins*

Dr. Bob Arnot, the bestselling author of *The Aztec Diet*, shows you how to use the power of America's favorite drink—coffee—to achieve improved health, longevity, mental clarity and

weight loss in this unique, groundbreaking wellness guide. For years, we've been told that coffee was bad for our health. But new research reveals that, consumed properly, coffee can be the healthiest, tastiest part of your day. It can sharpen your focus, jumpstart your workout, help you lose weight, and even help fend off disease, from diabetes and liver disease to heart disease and Parkinson's. In this revolutionary handbook, Dr. Bob Arnot explains how coffee became a staple of the human diet, and reveals why having a cup is the best thing you can do each day. He also teaches you how to find the best beans from around the

world and how to create the best brew and food pairings. The Coffee Lover's Diet includes a full diet plan with corresponding recipes to ensure you get the full benefits of this miracle bean—in the right amounts and in a variety of ways—as well as tips for putting all of this invaluable information and advice to work to help you shed pounds, gain energy, and make the healthiest choices every day.

The Triumph

Black Brazilians in Coffee

Plantations. Slavery. These were the realities that existed in Brazil during the introduction of coffee starting in the 18th century. This book shares the stories of

black coffee farmers and how they found their success farming coffee.

The Bulletproof Diet

Lose Up to a Pound a Day, Reclaim Energy and Focus, Upgrade Your Life

Rodale Books

In his mid-twenties, Dave Asprey was a successful Silicon Valley multimillionaire. He also weighed 300 pounds, despite the fact that he was doing what doctors recommended: eating 1,800 calories a day and working out 90 minutes a day, six times a week. When his excess fat started causing brain fog and food cravings sapped his energy and willpower, Asprey turned to the same hacking techniques

that made his fortune to "hack" his own biology, investing more than \$300,000 and 15 years to uncover what was hindering his energy, performance, appearance, and happiness. From private brain EEG facilities to remote monasteries in Tibet, through radioactive brain scans, blood chemistry work, nervous system testing, and more, he explored traditional and alternative technologies to reach his physical and mental prime. The result? The Bulletproof Diet, an anti-inflammatory program for hunger-free, rapid weight loss and peak performance. The Bulletproof Diet will challenge—and change—the way you think about weight loss and wellness. You will

skip breakfast, stop counting calories, eat high levels of healthy saturated fat, work out and sleep less, and add smart supplements. In doing so, you'll gain energy, build lean muscle, and watch the pounds melt off. By ditching traditional "diet" thinking, Asprey went from being overweight and sick in his twenties to maintaining a 100-pound weight loss, increasing his IQ, and feeling better than ever in his forties. The Bulletproof Diet is your blueprint to a better life.

Feminism 3

The Third Generation In Fiction *Routledge*
This book is a collection of short stories by third

generation feminists, covering major issues in a young woman's life: awakening sexuality, biological and psychological landmarks, family rejection and rebellion, child abduction and abuse, gender identification, and sexual harassment.

The Daily Show (The Book)

An Oral History as Told by Jon Stewart, the Correspondents, Staff and Guests
Grand Central Publishing

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen

years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and

Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on

Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

Invisible Influence

The Hidden Forces that Shape Behavior

Simon and Schuster

Explores the subtle, secret influences that affect the decisions we make--from what we buy, to the careers we choose, to what we eat.

Intuitive Fasting

The Flexible Four-Week Intermittent Fasting Plan to Recharge Your Metabolism and Renew Your Health

Harmony

The most effective and achievable guide to intermittent fasting, outlining a unique plan that merges the science behind fasting with a holistic approach to eating, from the bestselling author of Ketotarian and The Inflammation Spectrum. "Intuitive Fasting is Will's clear four-week program designed to set you up to feel your best for all the other weeks to come. . . . It's full of what he's learned about reducing inflammation, restoring balance, recharging metabolism, and

resetting gut health."-- Gwyneth Paltrow, from the foreword For some, the idea of fasting by eating only one or two meals a day still sounds like an extreme and overly restrictive dieting tactic. But many of us already feel like victims to our daily eating schedule: three meals a day, plus snacks. Eat every few hours, we are told by the experts. This fixed eating schedule has become the norm. The truth is, this is an artificially constructed schedule that does not reflect our bodies' natural eating schedule. In fact, eating three meals every day can cause metabolic inflexibility, which can easily lead to inflammation, weight gain, fatigue, and chronic health problems. For millions of years, our bodies have actually functioned best with periodic times of fasting. With his fresh new approach to fasting, bestselling author and functional medicine expert Dr. Will Cole gives us the ability to take control of our hunger, making intermittent fasting intuitive. You'll get in touch with your instinctive eating patterns and become healthier and more mindful about how and when you eat. When your body is out of balance, it can be very difficult to discern what it needs to build vibrant wellness. Intuitive Fasting will show you how to find metabolic flexibility-- and once you've reached metabolic flexibility, you can intuitively trust your

body to function at optimal capacity, whether you've eaten six minutes ago or six hours ago. With his 4-Week Flexible Fasting Plan, Dr. Cole will guide you through varying intermittent fasting windows, with each week of the plan tailored to focus on a different aspect of your health. He illustrates the most effective ways to fast and eat to amplify the health benefits of intermittent fasting, balancing rest and repair with clean, nutrient-dense, delicious foods. By the end of the four weeks, you will have all the tools necessary to Reset your body, Recharge your metabolism, Renew your cells, and Rebalance your hormones. Along with more than sixty-five

recipes, you'll also find a maintenance plan, so you can adapt fasting and feeding windows to work sustainably with your lifestyle.

Ask a Manager

How to Navigate Clueless Colleagues, Lunch-Stealing Bosses, and the Rest of Your Life at Work

Ballantine Books

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid

awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when

- coworkers push their work on you—then take credit for it
- you accidentally trash-talk someone in an email then hit “reply all”
- you're being micromanaged—or not being managed at all
- you catch a colleague in a lie
- your boss seems unhappy with your work
- your cubemate's loud speakerphone is making you homicidal
- you got drunk at the holiday party

Praise for *Ask a Manager* “A must-read for anyone

who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's *Ask a Manager* column. This

book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.” —Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.” —Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

Alma and How She Got Her Name
Candlewick Press
 A 2019 Caldecott Honor Book What’s in a

name? For one little girl, her very long name tells the vibrant story of where she came from — and who she may one day be. If you ask her, Alma Sofia Esperanza José Pura Candela has way too many names: six! How did such a small person wind up with such a large name? Alma turns to Daddy for an answer and learns of Sofia, the grandmother who loved books and flowers; Esperanza, the great-grandmother who longed to travel; José, the grandfather who was an artist; and other namesakes, too. As she hears the story of her name, Alma starts to think it might be a perfect fit after all — and realizes that she will one day have her own story to tell. In her author-illustrator debut, Juana Martinez-

Neal opens a treasure box of discovery for children who may be curious about their own origin stories or names.

Coffee will make you black

Roman

Fünf Jahre aus dem Leben Stevies, einer Jugendlichen, die in den sechziger Jahren in den Schwarzenvierteln Chicagos aufwächst.

Santa Olivia *Grand Central Publishing*

Lushly written with rich and vivid characters, SANTA OLIVIA is Jacqueline Carey's take on comic book superheroes and the classic werewolf myth. Loup Garron was born and raised in Santa Olivia, an isolated, disenfranchised town next to a US military base inside a DMZ

buffer zone between Texas and Mexico. A fugitive "Wolf-Man" who had a love affair with a local woman, Loup's father was one of a group of men genetically-manipulated and used by the US government as a weapon. The "Wolf-Men" were engineered to have superhuman strength, speed, sensory capability, stamina, and a total lack of fear, and Loup, named for and sharing her father's wolf-like qualities, is marked as an outsider. After her mother dies, Loup goes to live among the misfit orphans at the parish church, where they seethe from the injustices visited upon the locals by the soldiers. Eventually, the orphans find an outlet for their

frustrations: They form a vigilante group to support Loup Garron who, costumed as their patron saint, Santa Olivia, uses her special abilities to avenge the town. Aware that she could lose her freedom, and possibly her life, Loup is determined to fight to redress the wrongs her community has suffered. And like the reincarnation of their patron saint, she will bring hope to all of Santa Olivia.

Black Coffee

A Novel *One World*

"I may be a supersoldier but I sure as hell ain't no Superwoman. Yes, it's true my hand is steady, I have the eye of a marksman, and I can hit a moving target dead center at four hundred meters, but

when it comes to making clever love decisions, I'm not the sharpest knife in the drawer. While I look pretty lofty in my spit-shined combat boots and razor-sharp battle dress uniform, like a lot of young sisters from the 'hood, I've taken a few wrong turns down the back alleys of life." Meet Sergeant Sanderella Coffee, who has just completed a three-year overseas tour and is now reporting to a military installation in Virginia. She is a single mother whose goal is to attend the Army's prestigious Officer Candidate School, which will guarantee a better life for her and her children. Sandie meets a man who matches her ambition and determination step for step in the form of Drill

Sergeant Romulus Caesar, who literally marches into her life and turns it upside down. They fall in love, and Rom is everything Sandie could want—supportive, confident, self-reliant—but he’s also married. Because of the military’s tough policy on fraternization and adultery, Sandie could find her carefully orchestrated career slipping away like sand in a breeze.

Slavery in America
Infobase Publishing

Presents the history of slavery in America from colonial times through the U.S. Civil War.

Quotations from Chairman Trump
RosettaBooks

The essential wit and wisdom of President

Trump: a compendium of things an actual US president actually said out loud to other people. President Donald J. Trump possesses a great sense of history and himself. A model statesman, he tweets every thought, and more. With one exception, he doesn’t suffer fools lightly. This little red book attempts to capture the great man’s philosophy on governance, democracy, terrorism, and his hair. The President’s words are preserved here—both as a public service and as a keepsake. Unfiltered. Unabridged. Unauthorized. Unbelievable. Sample quotes include: I’m, like, a really smart person. The Bible means a lot to me, but I don’t want to get into

specifics. It has not been easy for me; and you know I started off in Brooklyn; my father gave me a small loan of a million dollars. While in politics it is often smart to send out false messages. As seen on MSNBC's Hardball with Chris Matthews

Vintage Black Glamour *Rocket 88*

A glamorous and sumptuous celebration of Black female artists, actors, entertainers and writers of the 20th century

Pound Foolish

Exposing the Dark Side of the Personal Finance Industry *Penguin*

If you've ever bought a personal finance book, watched a TV show about stock picking,

listened to a radio show about getting out of debt, or attended a seminar to help you plan for your retirement, you've probably heard some version of these quotes: "What's keeping you from being rich? In most cases, it is simply a lack of belief." —SUZE ORMAN, *The Courage to Be Rich* "Are you latte-ing away your financial future?" —DAVID BACH, *Smart Women Finish Rich* "I know you're capable of picking winning stocks and holding on to them." —JIM CRAMER, *Mad Money* They're common refrains among personal finance gurus. There's just one problem: those and many similar statements are false. For the past few decades, Americans

have spent billions of dollars on personal finance products. As salaries have stagnated and companies have cut back on benefits, we've taken matters into our own hands, embracing the can-do attitude that if we're smart enough, we can overcome even daunting financial obstacles. But that's not true. In this meticulously reported and shocking book, journalist and former financial columnist Helaine Olen goes behind the curtain of the personal finance industry to expose the myths, contradictions, and outright lies it has perpetuated. She shows how an industry that started as a response to the Great Depression morphed into a behemoth that thrives by selling us products and services that offer little if any help. Olen calls out some of the biggest names in the business, revealing how even the most respected gurus have engaged in dubious, even deceitful, practices—from accepting payments from banks and corporations in exchange for promoting certain products to blaming the victims of economic catastrophe for their own financial misfortune. Pound Foolish also disproves many myths about spending and saving, including: Small pleasures can bankrupt you: Gurus popularized the idea that cutting out lattes and other small expenditures could make us millionaires. But reduc-

ing our caffeine consumption will not offset our biggest expenses: housing, education, health care, and retirement. Disciplined investing will make you rich: Gurus also love to show how steady investing can turn modest savings into a huge nest egg at retirement. But these calculations assume a healthy market and a lifetime without any setbacks—two conditions that have no connection to the real world. Women need extra help managing money: Product pushers often target women, whose alleged financial ignorance supposedly leaves them especially at risk. In reality, women and men are both terrible at handling finances. Financial literacy

classes will prevent future economic crises: Experts like to claim mandatory sessions on personal finance in school will cure many of our money ills. Not only is there little evidence this is true, the entire movement is largely funded and promoted by the financial services sector. Weaving together original reporting, interviews with experts, and studies from disciplines ranging from behavioral economics to retirement planning, Pound Foolish is a compassionate and compelling book that will change the way we think and talk about our money.

Gossip in Honey Springs is as hot at the coffee served at Roxy Bloom's the Bean Hive Coffeehouse. Roxy has her hands full with the opening of the new coffeehouse. But when her Aunt Maxi is accused of murdering The Crooked Cat book store owner, Alexis Roarke who was holding one of The Bean Hive's pastries, Roxy has to uncover who is behind the murder not only to save her shop, her aunt, but her life.

the déjà vu

black dreams & black time *Coffee House Press*

Gabrielle Civil mines black dreams and black time to reveal a vibrant archive of black feminist creative expressions. Emerging

from the intersection of pandemic and uprising, the déjà vu activates forms both new and ancestral, drawing movement, speech, and lyric essay into performance memoir. As Civil considers Haitian tourist paintings, dance rituals, race at the movies, black feminist legacies, and more, she reflects on her personal losses and desires, speculates on black time, and dreams into expansive black life. With intimacy, humor, and verve, the déjà vu blurs boundaries between memory, grief, and love; then, now, and the future.

This Is Your Mind on Plants *Penguin*

The instant New York Times bestseller | A Washington Post

Notable Book | One of NPR's Best Books of the Year "Expert storytelling . . . [Pollan] masterfully elevates a series of big questions about drugs, plants and humans that are likely to leave readers thinking in new ways."—New York Times Book Review From #1 New York Times bestselling author Michael Pollan, a radical challenge to how we think about drugs, and an exploration into the powerful human attraction to psychoactive plants—and the equally powerful taboos. Of all the things humans rely on plants for—sustenance, beauty, medicine, fragrance, flavor, fiber—surely the most curious is our use of them to change consciousness: to stimulate or calm, fiddle with or completely alter, the qualities of our mental experience. Take coffee and tea: People around the world rely on caffeine to sharpen their minds. But we do not usually think of caffeine as a drug, or our daily use as an addiction, because it is legal and socially acceptable. So, then, what is a "drug"? And why, for example, is making tea from the leaves of a tea plant acceptable, but making tea from a seed head of an opium poppy a federal crime? In *This Is Your Mind on Plants*, Michael Pollan dives deep into three plant drugs—opium, caffeine, and mescaline—and throws the fundamental strangeness, and

arbitrariness, of our thinking about them into sharp relief. Exploring and participating in the cultures that have grown up around these drugs while consuming (or, in the case of caffeine, trying not to consume) them, Pollan reckons with the powerful human attraction to psychoactive plants. Why do we go to such great lengths to seek these shifts in consciousness, and then why do we fence that universal desire with laws and customs and fraught feelings? In this unique blend of history, science, and memoir, as well as participatory journalism, Pollan examines and experiences these plants from several very different angles and contexts, and shines a fresh light on a subject that is all too often treated reductively—as a drug, whether licit or illicit. But that is one of the least interesting things you can say about these plants, Pollan shows, for when we take them into our bodies and let them change our minds, we are engaging with nature in one of the most profound ways we can. Based in part on an essay published almost twenty-five years ago, this groundbreaking and singular consideration of psychoactive plants, and our attraction to them through time, holds up a mirror to our fundamental human needs and aspirations, the operations of our minds, and our

entanglement with the natural world.

Love WITH Accountability

Digging up the Roots of Child Sexual Abuse *AK Press*

Despite the current survivor-affirming awareness around sexual violence, child sexual abuse, most notably when it's a family member or friend, is still a very taboo topic. There are approximately 42 million child sexual abuse survivors in the U.S. and millions of bystanders who look the other way as the abuse occurs and cover for the harm-doers with no accountability.

Documentary filmmaker and survivor of child sexual abuse

and adult rape, Aishah Shahidah Simmons invites diasporic Black people to join her in transformative storytelling that envisions a world that ends child sexual abuse without relying on the criminal justice system. *Love WITH Accountability* features compelling writings by child sexual abuse survivors, advocates, and Simmons's mother, who underscores the detrimental impact of parents/caregivers not believing their children when they disclose their sexual abuse. This collection explores disrupting the inhumane epidemic of child sexual abuse, humanely.

Every Body Looking *Penguin*

A Finalist for the

National Book Award
When Ada leaves home for her freshman year at a Historically Black College, it's the first time she's ever been so far from her family- and the first time that she's been able to make her own choices and to seek her place in this new world. As she stumbles deeper into the world of dance and explores her sexuality, she also begins to wrestle with her past-her mother's struggle with addiction, her Nigerian father's attempts to make a home for her. Ultimately, Ada discovers she needs to brush off the destiny others have chosen for her and claim full ownership of her body and her future. "Candice Iloh's beautifully crafted narrative about family,

belonging, sexuality, and telling our deepest truths in order to be whole is at once immensely readable and ultimately healing."-Jacqueline Woodson, New York Times Bestselling Author of *Brown Girl Dreaming* "An essential-and emotionally gripping and masterfully written and compulsively readable-addition to the coming-of-age canon."-Nic Stone, New York Times Bestselling Author of *Dear Martin* "This is a story about the sometimes toxic and heavy expectations set on the backs of first-generation children, the pressures woven into the family dynamic, culturally and socially. About childhood secrets with sharp teeth. And ultimately,

about a liberation that
taunts every young
person."-Jason

Reynolds, New York
Times Bestselling
Author of Long Way
