Early 80's Evinrude 35hp manual tilt and lock - YouTube

The history of the creation of Johnson motors - this, one can say, is the history of outboard engines in general. The youth of the beginning of the century simply “hurt” universal motorization, and the Johnson brothers from the American state of Indiana were no exception. Their first outboard appeared in 1908. Having gained credibility with the production of stationary power plants for ...
