Over the past 150 years any evidence that goes against Darwinism, and the supposed spread of humans from Africa, has been filtered out of the archeological record. Stone tools, bones and other artifacts have been either ignored or hidden if they do not slot somewhere into the current time line of human evolution.

### Forbidden Archeology: The Hidden History of the Human Race ...

Forbidden Archeology: The Hidden History of the Human Race is a 1993 pseudoarchaeological book by Michael A. Cremo and Richard L. Thompson, written in association with the Bhaktivedanta Institute of ISKCON. Cremo states that the book has "over 900 pages of well-documented evidence suggesting that modern man did not evolve from ape man, but instead has co-existed with apes for millions of years!", and that the scientific establishment has suppressed the fossil evidence of extreme human antiquity.

### The Human History Movie ~ Spirit Science 12 - YouTube

Over the past two centuries researchers have found bones and artifacts showing that people like us existed on earth millions of years ago. But the scientific establishment has ignored these remarkable facts because they contradict the dominant views of human origins and antiquity. Michael Cremo challenges us to rethink our understanding of human origins, identity, and destiny.
