Kidney For Sale By Owner

Kidney for Sale by Owner is a tour de force, demonstrating both philosophical acumen, insight and scholarly care. This is how bioethics should be done! Moreover--and more soberly--given the number of people who die while waiting for a transplant, and the greater number who suffer while waiting, Kidney for Sale by Owner is long overdue. With luck it will be read not just by philosophers, but also by medical professionals and the framers of public policy.

kidney for sale by owner

This is not just armchair ethical discussion. In 2002 a retired London general practitioner was struck off the medical register for revealing to an undercover journalist that a kidney could be obtained from a live donor for a fee (BMJ 2002;325: 510).
