Documenting Individual Identity: The Development of State ...

"Documenting Individual Identity is a distinguished collection that opens up a new area of historical and sociological inquiry. On almost every topic the authors have thought widely and deeply, and they back up their general points with interesting, detailed research."—Theodore Porter, University of California at Los Angeles

Documenting Individual Identity | Princeton University Press

Documenting Individual Identity: The Development of State Practices in the Modern World. This book addresses one of the least studied yet most pervasive aspects of modern life--the techniques and mechanisms by which official agencies certify individual identity. From passports and identity cards to labor registration and alien documentation, from fingerprinting to much-debated contemporary issues such as DNA-typing, body surveillance, and the catastrophic results of colonial-era identity ...
