If we should all just disappear The skies and waters will clear in a world without us And there's no place like home. There's no place like home. There's no place like home To return to. We push against the rest of life As if we can survive without the world around us. Can't have a rainbow

without the rain. Can't have a painting without the pain. Can't have a lover walk out Without the love leaving with them. There's no place like home. No place like home To return to.
