The Timetables Of History A

The Timetables of History goes right
 back to the opposite extreme -- simple
 chronicling with virtually no explanation.
 In this way it follows in the footsteps of
 the Anglo-Saxon Chronicle, Quedlinburg
 Annals, and many of the other medieval
 and ancient chronicles of what happened
 when, linking events because they

happened at the same time, even if there was no other connection.

What is The Timetables of History. The Timetables of History is a translation of much of the material from the Kulturfahrplan by Werner Stein, 1946. 1 The content in the book is laid out as a timeline beginning with -5000. The entries in the timetables are brief. This book is not meant to have history in detail, there are already plenty of resources for that.
