The Performance Of Self Ritual

Medieval courtiers defined themselves in ceremonies and rituals. Tournaments, Maying, interludes, charivaris, and masking invited the English and French nobility to assert their identities in gesture and costume as well as in speech. These events presumed that performance makes a self, in contrast to the modern belief that identity precedes social performance and, indeed, that performance

These events presumed that performance makes a self, in contrast to the modern belief that identity precedes social performance and, indeed, that performance falsifies the true, inner self. Susan Crane resists the longstanding convictions that medieval rituals were trivial affairs, and that personal identity remained unarticulated until a later period.
